Our Mission

The Continuing Education Program enhances the quality of life in the region by providing educational, artistic, cultural, technological, and economic development activities and programs. The Continuing Education Program strives to develop and present programs and activities for professional and personal enrichment.
Purpose
The purpose of Camp Discovery is to provide enrichment opportunities for children and teens in the Valdosta area. We strive to create a safe, caring environment where participants expand their horizons, make friends, and achieve personal growth through age-appropriate activities. All classes are designed to be fun for participants, as well as to improve academic, artistic, and/or physical skills.

Age Ranges
Age requirements for camps vary and are listed with each camp description.

Where & When
Camp Discovery runs May 26 through July 24. Enrollment is limited to assure good teacher-student interaction. Most camps are held Monday through Friday, 9:00 am - 12:00 noon OR from 1:00 - 4:00 pm at the Regional Center for Continuing Education, 903 N Patterson Street (corner of W Gordon & N Patterson Streets, across from The Crescent). Parents may park in the lot behind the building and bring their children in through the rear entrance. Children will meet in the auditorium and be escorted to their classrooms as a group. At the end of camp each day, parents will sign their child out from his or her classroom. Some camps are held off-site; this will be noted in the camp description and instructions will be mailed with your registration receipt.

Early drop-off will be available beginning at 7:30 am (except for off-site camps) at no extra charge. Campers will enjoy supervised activities until the start of camp. Students should be picked up promptly at the conclusion of camp. A morning snack will be provided each day at 10:30 am. Your registration fee covers all course supplies (except where noted in class description) and snacks.

For those attending both a morning camp and the Rec Room or an afternoon camp in the same week, a supervised lunch area will be available. Campers must bring a sack lunch. Lunches can be refrigerated, but not heated. For Rec Room and afternoon camps, a snack is provided at 2:30 pm.

Cost
Camp fees vary based on program expenses. Please see individual descriptions for camp fees. There are no scholarships available for Camp Discovery.
