GENERAL INFORMATION - This exciting study abroad program serves the needs of all college majors. There will be opportunities for physical activities, excursions, and the exhilaration of Living and Learning in the Center of Europe. This MayMester 2015 program builds on previous international development activities and is offered in partnership with Palacky University, in the historic city of Olomouc, Czech Republic. This will be the 10th year to take students to the Czech Republic. Seats fill quickly so contact us and register early. Students from any college or university and any major, undergraduate or graduate, are eligible to enroll in the program. Fulltime faculty members from the Valdosta State University will teach the classes, along with faculty from Palacky University. Faculty and students in Olomouc will participate in field placements, excursions, and learning about the community. Students who participate in this program can also return to their local campuses for additional summer semester coursework.

PROGRAM DATES AND STRUCTURE - Participants depart for the Czech Republic from Atlanta, GA, on Tuesday, 12 May, and return Monday, 8 June 2015. Flights are Atlanta to Prague and return. Classes meet on Tuesday and Thursday with field experiences and course-related activities on Monday, Wednesday, and Friday. Saturday and Sunday are reserved for travel excursions. Field experiences and excursions are integrated into the curriculum to enhance classroom instruction and to take advantage of being in the Heart of Europe. Placements for observations have been developed in public schools, research laboratories, art schools, agencies, and businesses.

PROGRAM LOCATION- The host institution is Palacky University, founded in 1573, is one of the oldest and most highly respected universities in both the Czech Republic and Europe. It is located in Olomouc, a city with a population of more than 110,000; and the administrative and historic capital of the picturesque Moravian region of the Czech Republic. Due to its rich history, time-honored university, culture and crafts traditions, Olomouc has always been an attractive location for tourists, merchants, and business people. Because of its central location in Europe, travel to Vienna, Krakow, and Prague is easy.
