E. Authorization and Waiver of Liability

Read and sign the following statement:

I acknowledge that participation in a study abroad program involves some risk of injury, illness, or loss of personal property. I agree to release and forever discharge the institution through which I am registering for the program Valdosta State University and the Board of Regents of the University System of Georgia, its members individually, and its officers, agents, and employees, from any and all claims, demands, rights, and causes of action of whatever kind or nature, arising from and by reason of any and all known and unknown, foreseen and unforeseen bodily and personal injuries, including death, damages to property and the consequences thereof, resulting from my participation in the Summer 2014 program in Montepulciano, Italy and related activities. I also agree to allow my Banner account to be charged program and tuition fees and agree to pay all tuition and fees associated with participation in the program.

I certify that, to the best of my knowledge, I am in good health and physically capable of undertaking an intensive program of foreign study; any medical or health-related problems have been explicitly described in this application.

I further agree that I shall be subject to the supervision and authority of the faculty member in charge, and to standards of conduct stipulated by the Italy 2014 faculty, Valdosta State University, and my home institution. I further acknowledge that the supervising faculty or program director has sole authority to make decisions regarding the continued participation of any individual in the program whose conduct may necessitate disciplinary action. I understand that should I be dismissed from the program for not following the standards of conduct, I am responsible for arranging and paying for any additional costs to return home to the U.S.

I further authorize the supervising faculty or program director to obtain and provide medical treatment and/or services that I may require during the study abroad program.

Finally, I am aware that the deadline for submission of this application is February 1, 2014 and I agree to abide by the deadlines for fee payment as follows:

February 1, 2014	\$300 (application fee deadline)
March 1, 2014	\$2,250 (first installment)
March 15, 2014	\$2,250 (second installment)

I further acknowledge the following refund policy and procedures regarding the following:

Application Deposits

All application deposits are non-refundable, except in the case of:

- Program cancellation by Kennesaw State University
- A wait-listed student who is not added into the program
- A student who has applied to one education abroad program and clearly notifies the Education Abroad Office--in writing and prior to the application deadline--of his/her desire change the application to an alternate KSU program.

Refunds for application fees will be issued in the same form of payment originally used for purchase. Please be sure to retain all account information used for purchase and notify the Education Abroad Office (EAO) in advance if there is a problem with your account. The EAO will not be responsible for refunds sent to closed accounts.

Program Fees

Upon registration for the KSU faculty-led education abroad academic course(s), the designated program fee, which is separate from tuition is charged to the student's account. The student has up to one month to pay the program fee in full, following a specific payment schedule. Failure to pay the program fee in full by the stated deadline may result in deletion from the program.

All program fees are non-refundable, except in the case of students who have legitimate, documented medical, (emergency) family or military reasons for withdrawing from a program after paying the program fee. In all cases, the student will only receive recoverable fees, subject to the rules/policies of external service providers. Any such refund will not include the initial application fee and will not be issued until after the education abroad program is completed.

Tuition Payments

Payment and refund of tuition will follow the normal processes establish by the Offices of the Registrar and Bursar. Students wishing to withdraw from any study abroad program or course must submit their request in writing through the Education Abroad Office.

Finally, I understand that submitting an application for this study abroad program does not guarantee acceptance into the program; that candidates must meet program requirements and the study abroad advisor on your campus; and that participation is subject to availability and is on a first come, first served basis.
