

ADMINISTRATOR

Black Gets VSC Post

VALDOSTA, Ga. — When Arthur L. Hart assumes his duties as assistant to the vice president of Valdosta State College on July 1, he will take his place in VSC history as its first black administrator.

“His military, public school and educational background make Mr. Hart uniquely suited for this position,” said Dr. W. Ray Cleere, vice president and dean of faculties at VSC, whom Hart is to assist. “Not only will he work closely with minority students in this capacity, but he will also be responsible for operating the Learning Skills Center in the evenings.”

The new VSC administrator holds the bachelor of science degree in business administration from Savannah State College and the master of education degree in counseling from the University of Texas at El Paso. He has completed course requirements for the PhD degree in counselor education at Florida State University.
