Static cling parking permits should be displayed on the front windshield (inside) driver side lower corner- temporary parking permits placed on the dash board (driver side/left corner) with vehicle information and valid permit dates visible. VSU parking regulations apply to everyone (employees, students, and visitors) and can be found at [www.vsuparking.com](http://www.vsuparking.com). Banner holds are generated each day for all outstanding parking citations. Failure to pay citations in full will result in the blocking of transcripts and registration processes.

### ***Comments and Helpful Parking Hints***

Parking updates will be provided via the web site ([www.vsuparking.com](http://www.vsuparking.com)). Please check this site weekly. All new parking areas will have the appropriate signage. Students need to be proactive in planning for parking each semester. Plan to arrive an hour earlier to your destination. Walking, riding a bike and car pooling are good examples of how to have a successful parking experience during this period of growth. The Shuttle routes are subject to be altered to accommodate transportation needs.
