Structure of Report

- Overview
- Highest Rated Items
- Respondent Demographics
- Program Perceptions
- Overall Perceptions
- Future Plans
- Summary of Survey Responses
Overview

- This survey is applicable to all graduating undergraduate students for fiscal year 2011 (July 1, 2010 to June 30, 2011).
- Participants are asked to:
  - Rate aspects of their course curriculum and their experiences at VSU.
  - Rate their overall perception of VSU’s social and learning experiences.
  - Indicate their future plans after graduation.
- In 2011, the Senior Exit survey was conducted completely online via BANNER.
- A total of 444 responses to the survey were received.
Highest Rated Items

Effectiveness of courses and instruction:
- 89.9% of respondents rated the quality of overall instruction in their major field of study as excellent or good.
- 87.0% of respondents considered faculty in their department to be good or excellent, and 88.5% considered opportunities to interact with faculty to be good or excellent.

Overall Perception:
- 87.6% of respondents rated their overall satisfaction with VSU as good or excellent, and 86.9% of respondents would recommend VSU to others.
- According to 94.4% of respondents, VSU promoted the use of computers and information technology.
- 93.8% of respondents agreed they left VSU skills which allow them to analyze, evaluate, and make inferences in their daily life and work.
Respondent Demographics
Demographics

- Exhibit 1 shows 72.3% of participants are White.
- Exhibit 2 shows 74.3% of participants are between the ages of 20 and 24.
