

STUDENT AFFAIRS ASSESSMENT COMMITTEE GOALS 2010-2011

1. The Committee will update its Website, to reflect its current functioning
2. The Committee will develop a collaborative agreement with the Student Affairs Track in the Higher Education Administration Program within the College of Education. This collaboration will encourage graduate students within The Program to assist The Division of Student Affairs with assessment projects and activities.
3. The Committee will develop a process of review and feedback to each Student Affairs Department regarding their 2010-2011 Assessment Plans. This process will serve as a pilot project for the implementation of Goal No. 4.
4. The Committee will establish an ongoing, comprehensive process for assessment leading to improvement. This process will include timetables for Assessment Plan submission, rubric for Committee review of Plans, feedback to the Departments, and review of Assessment results. This process will be in effect in the 2011-2012.
