Best ways to fund your trip:

Raise funds by organizing a local art sale, an exhibition at a coffee shop, or sell your works online. Ask your parents & relatives for a Christmas, Birthday, or an early graduation gift. If you are eligible the Hope Scholarship will cover summer tuition. Check out a number of scholarships available at the VSU Center for International Programs. Go online and search for grants/scholarships for students enrolled in art programs. Do you know of other (better?) ideas for getting funded? Check them out!

Some fun things to do in Poland

Wieliczka Salt Mine – explore the extraordinary world curved in salt since the 13th century; view the magnificent chambers and monuments all sculpted in salt rock.

View the ornate tombs of almost all of Poland's past monarchs at the Wawel Cathedral, and then climb the bell tower to touch the famous Sigismund Bell – for luck!

Explore Bialowieza; the Europe's last primeval forest, dating back to 8,000 BC, is the only place in the world where you can see European bison freely roaming.

Discover the art of making animations by visiting the Museum of Fairy Tales in Lodz.

Snack on salted sheep cheese with imprinted diamond pattern, made exclusively in Tatra mountains. Warm it up and top with cranberry sauce – delicious!
