Dear Alum:

WE NEED YOU! Many students and graduates of Valdosta State University (VSU) have benefitted from Career Services' small cache of career mentors who volunteer and assist with career programs. We are pleased to introduce a new web-based mentoring network program through College Central Network (CCN). **Please consider registering with the Mentoring Network and serve as a career mentor:**

1. Go to www.collegecentral.com/valdosta
2. Click the **Alumni** icon, then the **Mentoring Network** link
3. Select **Join Our Mentoring Network**
4. Enter the password *Mentor* and click **Add My Mentoring Profile**

Please note that **your phone number and address will not be available to students** — only your name, job title, employer, and answers to questions dealing with your first job, current job duties, and your career progression will be seen. *You will have the option for students to contact you by e-mail.* You can update your information at any time in the future using your ID and Password.

Thank you for supporting our students, alumni and Career Center programs. We hope to see your name on the list of VSU Career Mentors.

Sincerely,

Winifred V. Collins, Director
