Additional Scheduling Notes:

- Required courses should be taken early during the student's program to avoid lengthening the time required to complete the program.
- RSCH 7100 is a prerequisite for PSYC 7040 and is strongly recommended for ACED 7990
- Some courses, such as PSYC 7040 and RSCH 7100 may be offered as online courses. These courses are denoted as "IA".
- All students must be cleared by their advisor prior to registration.
- This schedule is subject to revision due to low course enrollment or faculty reassignments. Be sure to register early to avoid unexpected problems. Although courses generally recur on a six-semester cycle, adjustment may be necessary which can delay a student's graduation.
