

CURRICULUM VITAE

Mary M. Gorham-Rowan

Work Address

Dept. of Communication Sciences and Disorders
Valdosta State University
1500 North Patterson Street
Valdosta State University
229-219-1321
mmgorhamrowan@valdosta.edu

Academic Degrees

Ph.D.	University of Florida	2002	Communication Sciences and Disorders
M.S.	Florida State University	1991	Speech Pathology/Audiology
B.A.	Florida State University	1989	Spanish
B.S.	Florida State University	1988	Speech Pathology/Audiology

Professional Experience

2005-present	Associate Professor Dept. of Communication Sciences and Disorders Valdosta State University
2003-present	Research Associate Dept. of Communication Sciences and Disorders Florida State University
2004-2005	Speech-Language Pathologist Archbold Memorial Hospital Thomasville, GA
2001-2003	Assistant Professor Communication Disorders Program Georgia State University
1996-2000	Speech-Language Pathologist Pooser Communication Services Tallahassee, FL
1993-1996	Research Assistant Dept. of Communicative Disorders University of Florida
1991-1993	Speech-Language Pathologist Pooser Communication Services Tallahassee, FL
1990-1991	Speech-Language Pathologist Speech and Language Center of Northwest Florida Pensacola, FL

Professional Affiliations

American Speech-Language Hearing Association
Georgia Speech-Language Hearing Association

Awards

Travel Fellowship Award, American Speech-Language-Hearing Association, May 2001
Selected to present grant proposal at ASHA Grant Writing Workshop.
Kenneth R. Bzoch Clinical Research Award, University of Florida, 1998

Publications

- Morris, R., Gorham-Rowan, M., & Meyer, L. (2009). The effect of initiating oral contraceptive use on voice: A case study. *Journal of Voice, in press.*
- Fowler, L., Gorham-Rowan, & Hapner, E. An exploratory study of voice change associated with healthy speakers following transcutaneous electrical stimulation to laryngeal muscles. *Journal of Voice, in press.*
- Gorham-Rowan, M., & Fowler, L. (2009). Laryngeal aerodynamics associated with oral contraceptive use: Preliminary findings. *Journal of Communication Disorders, in press.*
- Morris, R., Herring, K., & Gorham-Rowan, M. (2009). Voice onset time in young women as a function of oral contraceptive use. *Journal of Voice, 23*, 114-118.
