My experience at Langdale Place was nothing less than amazing! Mrs. Sandi Truitt, the Activities Director, was a wonderful role model and made me feel right at home. The residents of Langdale Place welcomed me with open arms and gave me the opportunity of a lifetime. I leave this internship with the confidence to go out into the real world and find a professional job that will offer me the same kind of reward that I have gained from this wonderful establishment. I was very blessed to have met each and everyone at Langdale Place and their friendships will stay with me forever.
