Yes No If yes, please list schools and systems and the individual's relationship to you _____

Before completing the system placement section on the next page, consider the following points VERY carefully:

- You **may** be required to submit to and pay for a current **Criminal Background Check** by the school system in which you are placed before you will be allowed to enter the schools. The approximate cost is \$60.00. **All placements are tentative pending the results and school systems retain the right to refuse placement of any student based on his/her criminal background history.**
- Once placements are made, they will **not** be changed.
- Students will be placed in a site appropriate for their certification area. However, students are not assured of any particular school, any particular teacher in a school, or any particular grade level--nor may students request a particular school, teacher, or grade level.
- Students are **not** to contact individual schools, school systems, teachers, and/or administrators about student teacher placement.
- The Dewar College of Education has 13 partner schools; efforts are made to place as many student teachers at these partner schools as possible.
- If you refuse a placement once it is made, you will **not** be placed at another site; and your student teaching will be delayed a semester.
- As placements are made and confirmed, they will be posted on the COE website (<http://education.valdosta.edu/placements.htm>), and **you will receive an email sent to your VSU email account confirming your placement.** The COE website is updated, and placement emails are sent to students, as quickly as confirmations are received from the school systems; this process takes several weeks--be patient. Placement emails are not all sent at the same time. Please do **NOT** contact the Office of Field Experience & Student Teaching to ask about your student teaching placement. Keep checking the COE website and your VSU email account.
- You may **not** student teach in: (1) A school from which you graduated within the last seven years, (2) A school where you or family members are employed or enrolled, (3) A school in which you have worked as a paraprofessional, or (4) A system in which you or family members are employed in the system office in an administrative capacity or on the board of education.
- You are **not** permitted to take undergraduate coursework (besides seminar) while student teaching.
- Generally, student teachers will be placed within a 60-mile radius of VSU.
- The Dewar College of Education reserves the right to refuse to place a student teacher at any particular school or within any particular school system.
- Every effort is made to place student teachers in their preferred systems; however, the **Dewar College of Education reserves the right to make all final decisions about student teacher placements.**

I HAVE READ AND UNDERSTAND THE ABOVE PLACEMENT INFORMATION Initial _____

Preferred System Placements

(Middle Grades majors and Secondary Education majors do **NOT** complete this section. Your placements will be made by your major department.)

The Dewar College of Education has comprehensive partner school agreements with a number of the schools located in the five school systems listed in Section A below. To the extent possible, attempts are made to place as many student teachers as possible in these schools.

***Please attach a copy of your unofficial transcript, including all coursework in which you are currently enrolled, from Banner.**

***Please attach a copy of your Application for Graduation (pink copy sent to you by the Registrar's Office after your audit was complete). Required for Bachelor's degree programs only.**

***PLACEMENTS WILL NOT BE MADE UNTIL ALL REQUESTED DOCUMENTS ARE RECEIVED.**

Student (Please Read Carefully)

I understand the requirements for student teaching. I further understand that failure to meet any one of these requirements will result in my **NOT** being allowed to student teach. **I also certify that nothing has changed in my criminal background history since my criminal background check was completed.** I further certify that all of my major courses have been completed, or will be completed, with at least a grade of “C” by the time I student teach. I understand that I will not be excused for any reason from attending the **mandatory** Student Teaching Orientation on January 7, 2013.

I also understand that if I have to cancel my student teaching for any reason, it is my responsibility to notify Ms. Jamie Bird’s office, my department head, and my advisor. If for any reason my student teaching is cancelled, I understand that I **must re-apply** for student teaching for the semester I intend to complete it.

I further understand that falsification of any information provided on this application or any unreported change in my eligibility to student teach will result in my not being allowed to student teach or being removed from student teaching.

NOTE: Effective Spring Semester, 2008, a fee of \$100 started being assessed for each student for student teaching. This fee is assessed as part of the student’s regular fees (included in tuition). For Special Education/Early Childhood Master’s program student teachers, the fee is \$50 for each of the two required semesters of student teaching.
