

## Dewar COE Meeting Documentation Form

**Committee/Group Name:** EDAT Program Committee

**Chairperson/Responsible Contact:** Heather Brasell

**Purpose of the Meeting:** Review status of data collection and proposed changes to the program

**Date:** 2/4/13      **Time:** 9:30 am      **Location:** ED 1130

**Departments/Groups/Agencies Represented:**   

Present: Heather Brasell, Scott Grubbs, Sean Lennon, James Martinez, plus Julia McKissock briefed

Absent: Gidget Ryskamp, Rachel Pienta, Makini Beck, Juan Walker, JT Cox.

**Primary Outcomes:**

- 1) Student of Year – no outstanding students identified in the program
- 2) Data collection for reports – Main gaps are with EDAT 7100 Lit Review and Pre-Post data from EDAT 6001.
- 3) Reviewed changes to EDAT program.
- 4) Discussed use of a common Writing and APA module for all GoVIEW MED courses.

**Actionable Items/Planned Follow-up:**

- 1) Sean will check EDAT 6001 assignments from Fall 2012 to try to locate pre-post data.
- 2) Heather will try to identify gaps for Lit Review and see if they can be filled.
- 3) Sean will make revisions for EDAT 6001:
  - (a) Replace Assessment Project with TWS,
  - (b) Include clear directions in assignments for including Excel pre-post data, and
  - (c) include clear directions for students to self-assess using COI rubric.
- 4) Scott will have draft revisions for EDAT 6000 by the end of February.
  - (a) Replacement for His Name is Michael
  - (b) Other revisions to update the course.
  - (c) Field Experience assignment as a required LiveText artifact.

Suggested format for FE rubric:

Proposal;

Needs assessment;

Documentation with signatures (includes 20 hr P-12);

Evidence of learning/impact (data); Analysis of learning/impact;

Critical Reflection;

MSRD Organization;

MSRD Writing;

MSRD Portfolio narrative

**Next meeting:**

Discussion of revised EDAT 6001 assignment directions

Discussion of revised EDAT 6000 course assignments and syllabus
