ATTENDANCE POLICY

Attendance Requirement

Due to the fact that much of the information covered in adult and career education (ACED) courses is applied, attendance at all class sessions is mandatory. In the event that an absence is absolutely necessary, the following makeup assignment must be completed <u>in addition to</u> regular class assignments.

Makeup Assignment

For each class session missed, the student must abstract five articles related to the missed class topic, using the format provided below. A class session is defined as a Friday evening or Saturday morning, or Saturday afternoon for weekend classes. For classes that meet weekly, one class session equates to one class meeting. This assignment must be completed, regardless of the reason for missing the class. Failure to complete the assigned work will result in a loss of 5 percent of the total course points for each session missed. In any case, a student missing 20 (or more) percent of the course will be subject to receiving a "W" or "F" for the course, at the discretion of the instructor.

Abstract Format

Use the following format for each article. Critiques must be typed or word-processed. Attach a copy of the article to the abstract.

DEWAR COLLEGE OF EDUCATION POLICY STATEMENT ON PLAGIARISM

Below is information directly quoted from the Academic Honesty Policies and Procedures:

Academic integrity is the responsibility of all VSU faculty and students. Faculty members should promote academic integrity by including clear instruction on the components of academic integrity and clearly defining the penalties for cheating and plagiarism in their course syllabi. Students are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct and the faculty members' syllabi. All students are expected to do their own work and to uphold a high standard of academic ethics.

The full text of Academic Honesty Policies and Procedures is available on the Academic Affairs website (http://www.valdosta.edu/academic/AcademicHonestyatVSU.shtml). The consequences for acts of academic dishonesty in the Dewar College of Education are:

FIRST OFFENSE:

- 1. The faculty member will administer an academic response (e.g. resubmit / retake assignment, failure of the assignment, failure of the course).
- 2. The faculty member will complete a Dewar College of Education Concern Form (http://www.valdosta.edu/coe/studentsinfo.shtml).
- 3. The faculty member will complete a Valdosta State University Report of Academic Dishonesty (http://www.valdosta.edu/academic/AcademicHonestyatVSU.shtml).

SECOND OFFENSE:

- 1. The faculty member will administer an academic response (e.g. resubmit / retake assignment, failure of the assignment, failure of the course).
- 2. The faculty member will complete a Dewar College of Education Concern form (http://www.valdosta.edu/coe/studentsinfo.shtml). The Dewar College of Education Concern Form Policy will be followed.
- 3. The faculty member will complete a Valdosta State University Report of Academic Dishonesty

 (http://www.valdosta.edu/academic/AcademicHonestyatVSU.shtml). According to the Academic Honesty Policies and Procedures document, "after a second (or subsequent) Report of Academic Dishonesty has been submitted to the Student Conduct Office in the Dean of Students Office, official charges will be drawn up

and the disciplinary matter will be referred to the Valdosta State University Judicial Committee."

It is not the intent of the institution to discriminate against any applicant for admission or any student or employee of the institution based on the sex, race, religion, color, national origin, or handicap of the individual. It is the intent of the institution to comply with Title VI of the Civil Rights Act of 1964 and subsequent executive orders as well as Title XI in Section 504 of the Rehabilitation Act of 1973.

STUDENT OPINION OF INSTRUCTION

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available on BANNER. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous, and instructors will be able to view only a summary of all responses two weeks after they have submitted final grades. While instructors will not be able to view individual responses or to access any of the responses until after final grade submission, they will be able to see which students have or have not completed their SOIs, and student compliance may be considered in the determination of the final course grade. These compliance and non-compliance reports will not be available once instructors are able to access the results. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml.
