

# **ATTENTION PARENTS OF SWIMMING STUDENTS**

## **(Important! Please Read!)**

We are delighted to be able to make use of the indoor pool at the Student Recreation Center!

In order to be able to use this great facility, we have agreed to certain rules, since children under 17 are not normally allowed in the facility. Please assist us by abiding by the following rules and regulations:

- 1. Enter the building through the sun deck on the SOUTH side of the building (the left side as you face the front entrance.)** You will go through an iron gate, onto an enclosed patio area with tables and chairs, and enter the swimming pool area from the patio. The reason for this is that the main entrance on Sustella Avenue is accessible only by student or staff ID card.
- 2. For security and your child's protection, parents and children attending swimming lessons are required to use the Family Changing Room only.** Please supervise your children at all times when in the changing rooms! **Anyone who wanders away from the pool/changing room areas into the main part of the recreation center will be asked to leave the building.**
- 3. For the safety of everyone and to minimize distractions so that children stay focused on the lesson, parents and siblings or other children must remain outside on the sun deck during lessons.** Children are welcome to play on the outdoor deck area, as long as they are supervised. (There are windows allowing you to see into the pool area from the sun deck.)
- 4. In the event of rain, parents and children will be allowed to sit inside at the deep end of the pool only.** All children not taking lessons must be supervised at all times. **Anyone who wanders away from this designated area will be asked to leave the building.**
- 5. Make sure that your children do not run on the swimming pool deck!** The surface is extremely slippery when wet. Please keep an eye on them at all times when they are not in the pool with the instructor.

Thank you for your assistance!
