

Make the Most of your Summer....

At VSU Continuing Education's

CAMP DISCOVERY 2009

The purpose of Camp Discovery is to provide enrichment opportunities for children and youth in the Valdosta area. We strive to create a safe, caring environment where participants expand their horizons, make friends, and achieve personal growth through age-appropriate activities. All classes are designed to be fun for participants, as well as to improve academic, artistic, and/or physical skills.
