

April 2011

Don't Just Raise the Bar, Create a New One...

Valdosta State University Continuing Education Professional Development Newsletter

Digital Photography Techniques II—Want to more fully understand your digital camera so you can take great photos? Join us for a technical look at choosing ISO settings, understanding color temperature and white balance, and discovering how to reduce image noise. You will learn about megapixels, sensors, and memory cards. Please bring your prosumer SLR digital camera to class.

Dates & Time: Mondays, April 11—25, 6—8 PM
Early Bird Special: \$89; after April 5: \$99

Getting Paid to Talk—Have you ever been told that you have a great voice? In this exciting class, you'll explore numerous aspects of voice over work for television, movies, film, radio, audio books, documentaries, and the Internet. Discover all the basics, including how to prepare the all-important demo! You'll even have the chance to practice recording a commercial script under the direction of our Voicecoaches.com producer!

Date & Time: Tuesday, April 12, 6:30—9 PM
Early Bird Special: \$29, after April 6: \$39.

Conversational French—Level II—Do you have some French language skills and would like to improve or just practice? Join us and become immersed in the French language and culture as you follow a video adventure in Paris and the French countryside. This course is engaging, fun, and a great way to increase your fluency in day-to-day French. Materials are included in the course fee.

Dates & Time: Tuesdays, April 12—May 17, 6:30—8:30 PM
Early Bird Special: \$99; after March 22: \$109
