

## APS meeting minutes – Tuesday, September 18, 2007

Opened the meeting up with an agenda of what we would like to do for the upcoming year.

1<sup>st</sup>: discussed membership

Comments were made on the possibility of increasing membership by holding socials to teach CRJU majors how to make complete resume with the assistance of Career Service.

2<sup>nd</sup>: qualification of membership arose, whether or not we can allow graduate students to join, the possibility of raising the CRJU GPA and lowering the overall GPA... allowing students who have the required class but they have not reached the level of junior yet to join.

3<sup>rd</sup>: discussed what we are to do with the lot we had adapted

4<sup>th</sup>: elected a new officer (secretary): Ashley Henderson

5<sup>th</sup>: talked about the by-laws

6<sup>th</sup> community service

7<sup>th</sup>: talked about the time of the meeting and trying to get the word out about the meeting and what the organization go do for people

### **Nomination to start the meeting**

The meeting time will be on Tuesday 4:45pm and Wednesday at 2:00pm change for the meeting...it will now be two meetings every other week

Recruitment: we need to be in the classrooms and announce the meeting...do the

PowerPoint presentation....more flyers around campus

Adopted a lot on Ashley street...ideas for what to do with the lot on Ashley.....we have a bench that was donated to us so that we can use for the lots....do team or people clean-up crew. Everyone should get together once a month and go out to clean it.....open up the lot to community service...maybe get the art department or housing

Can drive: joining teams with dining services to do the food drive during November 5-9 or we can go to the food bank and work with them....start the third week in October and run through November to thanksgiving

Resume: career service...Kevin Taylor pick two dates and they can do it....takes forty-five minutes with a general and then specific....it is going to be open or closed....maybe make it available to crju.....maybe do it on two separate days...dr. sha will take to the man and see if they have specific career information just for criminal justice majors

Brain's federal admission process: technology taught her is outdated.....now they look at the search engines to build your resume...they want a bullet resume (classes that they took) business casual attire, etc.
