

June 9, 2006

Dear Faculty and Staff:

Governor Sonny Perdue's budget initiatives included a 4% pool of funds to distribute to employees who have exhibited meritorious performance. The state has directed that these increases be effective January 1, 2007.

As you are aware, the Faculty Salary Model has been completed for all instructional faculty members. Efforts are underway to review the classification and compensation system for staff positions and review positions in the category of non-instructional faculty. More information will be forthcoming as these studies move forward to their next phase.

As we celebrate our Centennial years, your dedication to VSU's regional university mission continues to inspire our exciting future. Thank you for a productive 2005-2006 academic and fiscal year.

Sincerely,

**Ronald M. Zaccari
President**
