Dear VSU Faculty & Staff,

With so many new and exciting places to eat at Valdosta State University, Sodexo Campus Services has made a few changes to the faculty and staff meal plan program. Campus Dining will now offer a different choice of payment options. All locations will now accept cash, credit cards or the Faculty Club Card/Flex Card. Deposit money into your Faculty Club Card and we'll give you a 5% discount. No coupons or discount cards necessary for this deal. You'll see the savings every time you make a Club Card deposit. For more information on the Faculty Club Card Program, contact Diane Westberry in the Meal Plan Office at (229) 333-5988.
