

Power Outage

- Notify University Police and Plant Operations immediately of a power outage.
- University Police will notify Information Technology to ensure computer systems on uninterruptible power supplies are properly handled.
- Some Valdosta State University buildings are equipped with automatic standby electrical generators that will provide for minimal lighting.
- Remain where you are unless directed by University Police to relocate or evacuate.
- If the situation could expose students, faculty, or staff to danger, implement the appropriate emergency procedures, i.e. evacuate horizontally to another building, or move outside to a safe location.

Power Outage

- During power outages, open blinds to let in outside light.
- During power outages, turn off electrical equipment or appliances that may be damaged or cause damage once power is restored, i.e., computers, monitors, cooking equipment, etc.
- If instructed to evacuate, proceed cautiously to the nearest exit and outside. Consider persons with disabilities who may need assistance evacuating. Report any missing person to University Police and where they were last seen.
