

Defensive Driving Course

Course Information: The "AAA Driver Improvement Course" is designed to help you fine-tune your safe-driving skills. Fortunately, there are guidelines to help you assess conditions more accurately, predict actions of other drivers and make decisions with a more realistic concept of consequences. You'll learn how to manage risks by controlling visibility, time and space.

This program is taught by certified instructors and is six hours in length. You will receive a certificate from AAA once you have attended the course and passed the written test. The program is free to all VSU employees. Customized classes are available for departments.

Who should attend: This course is required for employees who drive vehicles for University events or job duties. It is however open to all VSU employees. As an added benefit, you may be eligible for a 10% discount on your personal automobile insurance. Check with your agent.
