

Jive Instant Messaging System

New to VSU is the Jive Instant Messaging System. Along with the standard chat features Jive can be used as an in/out board for your department. Other features include file transfer to staff/faculty/students and conferencing. If you want to learn all the capabilities of Jive, then attend this class. Specific topics include:

- Installation, login and logout
- Preferences
- Chat
- Add VSU and non-VSU contacts as well as renaming a contact
- Change profile, picture and status
- Look up profiles
- Create and delete custom status messages
- Set up a new conference as well as join an existing conference
- Broadcast a message
- Send a file and view files sent to you
- Share your desktop
- Notes and Tasks, and more!!
