

Sponsored by Campus Wellness

Friday, April 28, 2006
12:30 to 1:30 p.m.
University Center, Cypress Room

Join us as for a specially prepared nutritious lunch as we discuss the importance of sun protection and cancer prevention with Jerriann Levy, RN at the Farber Health Center. Jerriann will share tips from her 22 years of experience. We will learn:

-  *Health effects of overexposure to the sun*
-  *Prevalence of skin cancer*
-  *Risk factors and types of skin cancer*
-  *Treatments and early detection of skin cancer*
-  *Sun safety tips*

Enjoy — Brazil nut encrusted lemon chicken over brown rice, Poached salmon, Steamed broccoli, Dill carrots, & Yogurt w/ fresh raspberries

Cost: \$6.42 or Meal Plan
Pay the Food Court Cashier

Materials about nutrition and cancer prevention will also be provided.
