PRESENTS

Cancer Prevention

Description

Are you familiar with the latest research and trends regarding cancer occurrence and prevention? Find out more on:

- Who is at risk and for what type of cancers
- What early detection tests exist
- Latest on prevention strategies
- How the American Cancer Society can help

Speaker

Ashley Braswell is the Community Manager for the American Cancer Society. She graduated from VSU in 2000 with a Bachelor of Arts degree in Communications, and has worked for the American Cancer Society since 2002. In her position, she assists volunteers in organizing Relay For Life and handles the education factor for Lowndes and Tift counties.
