

Honors College Advising Checklist - Honors Program Track

Honors students who follow the old Honors Program track need 7 Honors courses in all to fulfill the requirements for graduating with Honors. The Honors Intro Seminar HONS 1990 and the HONS 3990 Capstone seminars are required. In addition, the students should take 5 core Honors courses (up to 3 of which can be Honors Options). Credit for Honors Options can be earned in major classes and students are encouraged to consider this venue if they apply for Honors Options.
