

Chronology in the Interior of SuDocs Numbers

Many serial SuDocs numbers have a year designation in the interior part of the book number. This designation tends to be a two digit year (i.e., 97 for 1997). The full book number assigned by GPO can be placed in the **866** field and further qualified by the full year in parentheses.

866	4	0	\$a 87-22 (1987)
866	4	0	\$a 91-22 (1991)

If the desire was to use a caption, *no.* can be placed in front the book number.
