

URLs in Holdings for Monographs

The GIL Serial Holdings Working Group is recommending the placement monographic URLs into the holdings record. The Working Group is basing this recommendation on the [PROs](#) listed in a related document found in this guide.

856 in the Bibliographic Record

Instructions for formatting the 856 in the bibliographic record were provided by USG's *Virtual Library Support* and should be constructed like the following: [9]

Tag	I1	I2	Subfield data
856			\$u :\$z Click E-Resource below

The text above, *Click E-Resource below*, is only a recommendation by Virtual Library Support and is not prescriptive.

856 in the Holdings Record

- See title: *Rules and regulations of the state of Georgia* in Valdosta GIL for OPAC display.

The 856 in the Holdings records is recorded exactly the same as that found in the *MARC 21 format for holdings data*. [2] The following examples are not meant to be exhaustive.

Tag	I1	I2	Subfield data
856	4	1	\$u http://www.sos.state.ga.us/rules_regs.htm

- See title: *10 maneras de ser una buen papá* in Valdosta and Georgia Southern GILs for OPAC displays.
