Selecting Your Courses

The *MLIS Course Selection Guide* provides tips and guidelines on reasonable course loads, an explanation of elective course rotations, and where documents related to course planning are located on the MLIS web site. You will find the *Course Selection Guide* at http://www.valdosta.edu/mlis/student_resources/documents/MLIS_Course_Selection_Guide.pdf

Course List for Summer and Fall 2009

Factors beyond the control of MLIS faculty and staff can affect our capability to offer a particular course at a particular time. These factors can change without notice. The MLIS faculty and staff will make every effort to keep to the courses listed below. Instructors are *not* designated for each course starting with the Fall 2008 schedule. These will be made available once faculty assignments are definite.
