Note: Any change in major must be made well before any registration period and with the advice and consent of both releasing and accepting departments. Change of major, name or address forms are provided by the Office of the Registrar. Changing majors may result in taking additional courses to meet new degree requirements. Also, by changing your major or interrupting your college work for more than a year, you become subject to the graduation requirements of the current catalog. Further, the following professional programs have separate requirements for admission to their upper division courses: Education, Nursing and Business Administration. Consult the current catalog for details.

Please list all institutions you have attended below. The VSU Office of Admissions must have an official transcript from each institution before you can be processed for re-admission.
