

Writing an Effective Business Plan

Do you need money?

Does your business need direction?

Are you ready to put your business idea on paper?

The University of Georgia

Presented By:
Small Business Development Center

Starting a business without a plan is like going on a trip without a map. A business plan helps you start, build and manage your business. Learn why a business plan is critical to your success, especially if you need a loan or an investor for your business.
