Attend the upcoming Fall Career Expo on October 8th to meet with recruiters from government, healthcare, finance, manufacturing, and social service sectors to name a few. Recruiters will be on hand to discuss professional full-time as well as part-time opportunities in addition to internships and cooperative education.

Career Day Advantage Seminar

Learn how to network with employers at career fairs and market yourself effectively for professional and experiential opportunities. The seminar will address appropriate dress, non-verbal mannerisms, researching employers, managing one's time during the event, and following up with employers after the career fair.

Resume Check-Up

Bring a hard copy of your resume for review and receive on the spot feedback from a career professional. Resume books and informational packets will be available. Attendees will also receive free samples of resume paper (while supplies last).
