Where do I find other information?

On our Parent's Resource Center website: www.valdosta.edu/prc. The website is designed to assist parents by providing valuable information and resource contacts on the VSU campus. Although your son or daughter has left home for college, they still need your advice and encouragement. Please use this site as a reference if your son or daughter calls you with a concern or issue they can't answer. We are here to assist students, and to work for their success, so please encourage your son or daughter to ask questions and take responsibility for themselves and their college career.

When is Parent's Weekend?

Parent's Weekend is held early each fall. This year, Parent's Weekend will be held September 24th. For more information, contact the Office of Student Life at 333-5674 or visit their website: www.valdosta.edu/stulife/ParentsWeekend.shtml.
