

Gamma Chi Disaffiliation Contract

Valdosta State University

I, in accordance with the privilege and responsibility of serving as a recruitment counselor and/or member of the recruitment committee, agree to completely disaffiliate from my fraternity chapter effective with the signing of this agreement through the end of formal recruitment.

I understand that I am to have no direct or indirect contact with members of my own fraternity during my service as a recruitment counselor. In addition, I will keep my affiliation confidential and agree to take all necessary steps to prevent its disclosure in social and/or professional settings.

I understand that verbal or written communication or interaction with members of my own fraternity through a third party is unacceptable. In addition I will not display the Greek Letters, insignia, or any evidence of my own fraternity affiliation in my attire, jewelry, the décor of my living quarters, or on my vehicle.

I understand that a violation of this agreement will result in my immediate termination as a recruitment counselor and may result in sanctions for my own fraternity chapter.

I agree to abide by the recruitment counselor code of ethics, all recruitment rules, and the NPC Unanimous Agreements in the execution of my duties.

I will provide the potential member with the most positive, honest, and unbiased guidance possible in an effort to facilitate a successful recruitment experience.
