

TENTATIVE Seventh Annual VSU Mathematics Technology Conference, February 22, 2002

Time	Session I Room TBA Presider -	Session II Room TBA Presiders -	Session III Room TBA Presiders -	Workshops Room TBA Presider -
2:30 to 3:20	Teaching and Managing a College Algebra Course using QUANT Systems Andreas Lazari Valdosta State University	The Learning Equation and Brooks Cole Assessment Lisa Ramirez Brooks/Cole Publishing		Mathematics in the Cyberspace Frontier John Schmidt McGraw-Hill Publishing
3:30 to 3:50	Using Real-Time System Technology in Program Stock Trading Kam Fui Lau Armstrong Atlantic State University	Coping with Students' Expectations in Core Math Courses Tim Howard Columbus State University	Selected Maple Graphics and Animations for Calculus J.A. Ziegler Southern Polytechnic State University	
3:50 to 4:10	REFRESHMENTS			
4:10 to 4:30	<i>StatApps</i> : Dynamic Statistical Application Routines for Excel John Dyer Georgia Southern University	A Picture is Worth a Thousand Words Cynthia Sikes and Deborah Evans Georgia Southern University	Reasoning and Understanding during Exploration: Microworld Design using 3-D DPGraph Erich Nold Florida State University	Arithmetic Progressions and Divisibility Eugen Ionascu Columbus State University
4:40 to 5:00	Using Spreadsheets to Display Discrete Probability Distributions James Harris Georgia Southern University	Incorporating Available Technology into Meaningful Projects Kim Bennett Georgia Perimeter College	Connecting Maple to the Web, Part 2: 3D Graphics over the Web Steven Bellenot Florida State University	A Web-based Resource of Animations for Teaching Mathematics and Physics Cecilia Barnbaum Valdosta State University
5:00 to 5:20	Computing With Transfinite Ordinals Hilbert Levitz Florida State University	Using Technology with Gifted Students in Problem-Solving Steven Blumsack Florida State University		Plinko: A Calculator and Web Demonstration Susie Lanier and Sharon Barrws Georgia Southern University
5:20	BREAK			
5:30	Welcome/ Invited Address TECHNOLOGY IN THE CLASSROOM: ARE WE THERE YET? Martha Abell, Georgia Southern University			
7:00	Banquet: President's Dining Room in the Palms Dining Center The Dinner Speaker is Tom Manning Title: NANOTECHNOLOGY
