

**DEWAR COLLEGE OF EDUCATION
EXECUTIVE COMMITTEE MEETING
AUGUST 30, 2007**

Report on Instructional Technology Support

Sterlin Sanders reported on the smart classroom updates and provided details for components installed in COE Rooms 81 and 244, SLP Room 155, and PSY Room 106. Construction-related issues concerning computers and printers were briefly discussed; seven new computers and 15 computer upgrades were provided to COE faculty/staff. Dr. Mike Griffin mentioned the need for wireless capability in some areas of the PE Complex; IT personnel indicated this request could easily be met.

Parents' Weekend

Parents' Weekend will begin tomorrow in the University Center with an informational session from 9:30 – 11:00 a.m.

Academic Committee

The Academic Committee is scheduled to meet September 10, 2007. Issues related to programmatic changes may not be addressed by the Academic Committee until next month. These program changes include the online M.Ed. in Accomplished Teaching (a cooperative degree between Georgia Southern, Columbus State, and VSU).

SPAGE Seminar

The Student Professional Association of Georgia Educators (SPAGE) will offer a 1-day workshop on classroom management at Macon State College, Saturday, October 6, 2007 from 9:00 a.m. – 3:00 p.m.

PAAR

Following this brief Executive Committee meeting, PAAR data entry was undertaken by program coordinators and department heads.

Respectfully submitted,
Larry Hilgert
