VIII. Finalization of 2012-2013 Department Goals
a. A change to the first section, third bullet, to be read as “Increase Graduate Student Enrollment” was approved.

b. Dr. Mat Som observed that students want an advanced credential by taking some Master classes without seeking to complete the degree. For example, a set of courses could be taken resulting in some kind of certificate. Dr. Martinez commented that there are USG guidelines for a certificate and some programs offer a credential a part of their programs. Dr. Prater commented that it would be important to know what credentials employers wanted employees to have in this regard. Dr. Backes made a motion to approve the 2012-13 ACED Department Goals; it was seconded by Dr. Willis. The motion passed as amended.

IX. Curricular Modifications
a. Requirement for a grade of ‘C’ or better in Area F Courses are to be added to the VSU Catalog for the OAT and WED undergraduate degree programs. A motion was made by Dr. Prater and seconded by Dr. Willis. The motion passed.
b. A motion was made by Dr. Thomerson and seconded by Dr. Ellis to change the grading mode for ACED 7950 from “A-F” to “U” or “S”. The motion passed.
c. The policy for the Masters Degree Comprehensive Exam Option for the WED Capstone experience was proposed to state that a student may only have two attempts to pass the exam. If after two attempts a student does not pass, he/she will be given a “U” and withdrawn from the program. A motion was made by Dr. McClung and seconded by Dr. Willis. The motion passed.
d. Target Scores for the GRE Examination for Doctoral applicants were proposed as: Written Analytical 4.5, Quantitative Reasoning 146 and Verbal Reasoning 148. A motion was made by Dr. Thomerson and seconded by Dr. Whisler. The motion passed.

X. Graduate School Update – Dr. McClung
Dr. McClung handed out 2 separate graphs: 1) Doctoral Counts  2) Number of Students Depending on Major. The enrollments in the ACED programs as compared to other programs were discussed.

XI. Masters Update
The planned marketing efforts for the BEIT option as described in the adopted Department Goals were discussed.

XII. BAS-OBC Update
Dr. Martinez announced that he has submitted the USG required forms to request that the BAS program be approved for online delivery as a “bachelors completion program.” ACED 4810 and ACED 4820 are currently being taught online by Dr. Wright. The “Safety” class will be taught online in the Spring 2013 and Drs. Mat Som and Wright will be working to build that course this semester.

XIII. Teacher as Advisor Endorsement Meeting – Dr. Backes
“Career Pathways” for all high school students will require a career plan in Georgia. Dr. Backes explained he was invited to attend a meeting at the DOE to discuss planning strategies to promote “teachers as advisors”. Teachers will be advisors and divide students into “Home Groups”. The goal is for 5-10% of all teachers act as advisors. Dr. Backes proposed that the state effort should be to focus on the development of a Teacher Advisor Trainer program that could be part of our ACED Masters Degree. It was decided that ACED faculty would wait and see what happens.

XIV. Committee Meeting Updates – ACED Faculty
Dr. Prater announced that new Student Concern Forms need to be used as approved by the COE Undergraduate Policies Committee.

XV. Other Business
a. The College of Education (COE) is considering a name change due to the possibility that the Marriage & Family Therapy and Social Work programs may be joining the COE. Suggested names discussed were as follows:
   1. College of Education & Professional Studies
   2. College of Education & Social Science
   3. College of Education & Human Services
(General consensus is that #1 or #2 is preferred)
b. The website for ACED needs to be structured such that information is accessible with the least number of “clicks”. Specifically, the headings for graduate and
undergraduate programs need sub-bullets linked to each option area. Dr. Martinez said this change would occur as soon as possible.

c. Suggestions were made to seek professional advice regarding our website and to look at the formats used by other schools.

With no further business, the meeting was adjourned at 12:10 p.m.

Respectfully submitted,

Wendy Miller
ACED Senior Secretary
