

STUDENT FINANCIAL AID

Mr. Tommy Moore
Director of Financial Aid

The purpose of the student aid program is to help make higher education a reality for persons who would be unable to attend without financial assistance. Financial aid is awarded only to eligible students who have been admitted to the University. The financial aid application and Free Application for Federal Student Aid (FAFSA) may be submitted at any time after the applicant has applied for admission.

Financial aid applications are accepted as long as resources permit, and priority is given to those submitted by May 1.

This material was prepared in advance of the 2000-2001 academic year and is subject to change because of changes in state or federal laws or regulations.

FINANCIAL AID ACADEMIC REQUIREMENTS

In accordance with the Higher Education Act of 1965, as amended, students must be making satisfactory academic progress, both in quality and quantity, to qualify for and continue to receive Title IV federal financial aid. The satisfactory academic progress standards for federal financial aid recipients at Valdosta State University are as follows:

Undergraduate Students

Qualitative. All students are expected to maintain the academic standards outlined in the official Catalog of Valdosta State University. Students who fail to meet these standards will be placed on academic suspension. Students receiving financial aid who are placed on academic suspension will have their financial aid terminated. Financial aid applicants placed on academic suspension at the end of their last quarter of attendance are not eligible for financial aid.

Quantitative. In addition to maintaining the specified grade point average, students receiving financial aid must complete their degree in accordance with certain criteria and successfully complete a minimum percentage of credit hours each academic year.

At Valdosta State University, the maximum number of hours allowed is 150% of the number of semester hours required to earn the degree. Examples: Students pursuing a degree which requires 120 semester hours may not receive financial aid after they have attempted 180 hours. If the degree requires 130 semester hours, students will be expected to have earned the degree after having attempted no more than 195 hours.

Students must successfully complete 67% of the courses for which they register in any academic year. The grades of A, B, C, D, IP, and S count as the successful completion of a course. The grades of F, W, WF, WP, WY, WH, I, U, NR, and V do not count as the successful completion of a course.

Graduate Students

In addition to the quantitative standards required of undergraduates, graduate students must maintain a cumulative grade point average of not less than 2.5 in order to be eligible for financial aid.

Remedial Course Work

No student may receive financial aid for more than 30 hours of remedial course work, which includes all College Preparatory Curriculum deficiencies, remedial courses, or developmental study courses..

Monitoring of Satisfactory Progress

Qualitative academic requirements will be checked at the end of each semester and at the time the student applies for financial aid. The limitation of total hours attempted and the 67% completion requirements will be checked at the end of the spring semester. The grade point average of students who apply during the academic year will be checked as of the last semester attended; the limitation on the total hours attempted and the 67% completion requirement will be checked at the end of the previous spring semester.

Summer Semester

Courses taken during the summer are counted exactly the same as courses taken during any other semester.

Transfer Students

Transfer students will be considered as incoming freshmen for the initial disbursement of financial aid. Only grades earned at Valdosta State University will be used to determine the grade point average for financial aid eligibility. Hours transferred to Valdosta State University will be counted as total hours attempted at the end of the academic year.

Repeated Courses, Remedial Courses, Withdrawals, and Incompletes

Students should be careful in repeating courses, as all attempts at a course are counted in the maximum hours allowed to obtain a degree. Students are also reminded that withdrawing from a course does not count as successful completion and does not count in the required 67% completion rate each academic year. Incompletes also do not count as the successful completion of a course, and excessive incompletes can result in the termination of financial aid. Students can receive financial aid for no more than 30 hours of remedial course work (including remedial courses and courses to satisfy deficiencies in the College Preparatory Curriculum). However, students required to take remedial course work may have their eligibility extended by the number of remedial hours taken, up to a maximum of 30 hours.

Reinstatement of Aid

Reinstatement of Financial Aid depends upon availability of financial aid funds at the time of the application for reinstatement and other factors:

Students terminated from aid because of academic suspension or failure to complete 67% of their courses in an academic year may apply for reinstatement of aid after they have completed 9 or more semester hours with a grade point average of at least 2.0, at their own expense, at Valdosta State University.

Students terminated from aid for failure to exit Developmental Studies within 30 semester hours may apply for a reinstatement of aid when they have exited Developmental Studies.

Graduate students may request aid at any time their cumulative GPA reaches 2.5.

Appeals

Students wishing to appeal may do so by filling out a Satisfactory Progress Petition and presenting it to the Financial Aid Office, along with any supporting documentation. The Financial Aid Office staff may take into consideration illness, death in the immediate family, or any other extenuating circumstances. Students will be notified, in writing, of the decision. Students wishing to appeal the decision of the Financial Aid Office may do so by writing to the Student Financial Aid Committee.
