

## **COLLEGE OF NURSING**

Anita G. Hufft, Ph.D., R.N., Dean  
Room 224, S. Walter Martin Hall

The College of Nursing offers a program that leads to a Master of Science in Nursing (M.S.N.) degree.

Master's nursing education builds on baccalaureate nursing education and prepares nurses for specialized clinical roles. The M.S.N. program offers three clinical tracks: Advanced Nursing of Growing Families, Advanced Nursing of Adults, and Psychiatric/Mental Health Nursing. Three role options are available to graduate students: Care Manager, Nurse Educator, and Nurse Administrator. Graduate students must select one clinical track and one role option. The College offers a special track for Registered Nurse applicants leading to the B.S.N. or to both the B.S.N. and M.S.N. Please contact the college directly for information about this pathway. Both the bachelor's degree (BSN) and the master's degree (MSN) programs in the College of Nursing are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036. Telephone 202-887-6791; Fax 202-887-8476. Questions about accreditation status may be addressed to this organization.

All students take a common core before entering the clinical and role options. The common core includes Pathophysiology, Research, Theory, and an Issues Seminar.

### **Selected Educational Outcomes**

1. Synthesize knowledge gained from the behavioral and natural sciences, humanities, and nursing into advanced nursing practice.
2. Utilize the research process to solve problems and improve the quality of health care.

### **Examples of Outcome Assessments**

1. Each student must pass a comprehensive examination which tests communication, critical thinking, advanced discipline knowledge, and the ability to synthesize.
2. Each student must demonstrate application of theory, practice, knowledge, critical thinking, and problem solving by completion of a thesis or project.

## **MASTER OF LIBRARY AND INFORMATION SCIENCE PROGRAM**

Dr. Wallace Koehler, Director  
Odum Library

The mission of the Master of Library and Information Science (MLIS) Program is to provide a quality publicly supported education for generalists and specialists in the library and information science fields. Its primary focus is to educate librarians for academic and public libraries in Georgia.

The 39-hour non-thesis program combines brief periods of face-to-face instruction with Internet instruction and distance education. The program is designed for students who cannot leave jobs and families to return to a single campus for extended periods. Face-to-face classes will be held in Valdosta or another location based upon geographic convenience for the class.

New students begin in the Fall semester. MLIS 7000, Foundations of Library and Information Science, which is offered every Fall semester, is prerequisite or corequisite to many other MLIS courses. The Capstone course, MLIS 7800, is taken during the final semester of study and serves as the exit requirement for the program.

For additional information about the Master of Library and Information Science Program, see < <http://books.valdosta.edu/mlis/> >.

### **Departmental Requirements in addition to University Requirements for Admission**

1. Undergraduate grade point average (GPA) of at least 3.0 on a 4.0 scale for the last two years of undergraduate coursework or at least 3.0 GPA in a Master's degree from an accredited institution
2. Graduate Record Examination (GRE) combined score of 950 verbal and quantitative **or** 450 verbal and 4.0 analytical. (For GRE examinations taken prior to October 2002, a 950 combined verbal-quantitative or verbal-analytical score is required.)
3. For a student with less than 3.0 GPA, the GRE score must be at least 1000
4. For international students, Test of English as a Foreign Language (TOEFL) score of 550 (213 on the Computer-based Test)

## **Selected Educational Outcomes**

MLIS graduates will demonstrate:

1. Understanding of the service perspective and ethics of library and information science professionals.
2. Fluency with current technologies used in library and information center operations.
3. An understanding of the role of library and information services in a diverse society, including the role of serving the needs of traditionally underserved groups.
4. Effective oral and written communication skills.

## **Examples of Outcome Assessments**

1. Students will demonstrate understanding of the service perspective and ethics of library and information science professionals through successful completion of course work and employer surveys.
2. Students will demonstrate fluency with current technologies used in library and information center operations through successful completion of course work, portfolio assessment, and employer surveys.
3. Students will demonstrate an understanding of the role of library and information services in a diverse society through successful completion of course work, portfolio assessment, and employer surveys.
4. Students will demonstrate effective oral and written communication skills through written assignments and oral presentations required during course work.

The Master of Library and Information Science Program at Valdosta State University has been granted precandidacy status by the Committee on Accreditation of the American Library Association (ALA). Precandidacy status is an indication that the Master of Library and Information Science Program at Valdosta State University has voluntarily committed to participate in the ALA accreditation process and is actively seeking accreditation. Precandidacy does not indicate that the program is accredited nor does it guarantee eventual accreditation of the program by ALA.
