

**FINANCIAL INFORMATION
AND BUSINESS REGULATIONS**

Mr. James Black
Vice President for Finance and Administration

Valdosta State University, as a unit of the University System of Georgia, receives the major portion of its operating funds through appropriations from the State of Georgia. This support enables the University to offer high quality educational programs at a minimal cost to its students.

Each year Valdosta State University offers two terms of instruction: fall and spring, which are collectively called the academic year. Another term is offered in the summer. Charges are in accordance with the regulations and schedules set forth below, the basis of which is the number of hours scheduled. These fees are due and payable as an integral part of the registration process, and students should not commence registration without having money sufficient to pay all fees. For a student to be considered in “financial good standing” at this institution all tuition, fees, library, parking, food service, or other fees must be paid in full. The University reserves and intends to exercise the right to withhold copies of education records, cancel the enrollment of students who owe the University money, or pursue collection for unpaid balances.

The University reserves the right to change without previous notice its fees, charges, rules, and regulations at the beginning of any term. This right will be exercised judiciously.

All fees are subject to change according to the policy of the Board of Regents.

PAYMENT OF FEES AT REGISTRATION

Tuition and fees are due and payable as an integral part of the registration process and must be paid on or before the established deadlines. The amount owed is based on the courses for which students are registered, living accommodations on campus, and meal plan selected and is detailed on the registration schedule. Payment is accepted by cash, check, money order, cashier's check, Master Card, Visa, Discover, via the mail, Web payment system of the Banner Registration Website, or the 24-hour drop box at the University Bursary. Complete payment for tuition, dorm, apartment, meal plan, "Holds,"

vehicle registration, etc. must be made to validate registration. The only way registration for classes, campus housing, and meal plan can be activated is by payment of fees by the designated day. Otherwise, cancellation of registration is automatic. The University is not permitted to have accounts receivable for student fees. It is the students' responsibility to determine the balance due on their account and render payment by the fee payment deadlines. The telephone system and Web Registration System are available 24 hours per day for this purpose. VSU only mails invoices to students whose financial aid does not cover all fees and account charges. VSU will also send reminders by mail concerning automatic financial aid validation, fee payment deadlines, and cancellations. However, fee invoices can also be mailed or picked up at the Bursary by request.

Students who have anticipated financial aid should verify their aid is adequate to cover all charges. If aid is adequate, all classes will be automatically validated. **The student is responsible for dropping any classes to avoid unsatisfactory grades and financial liability.**

No partial payments can be accepted.

The entire fee payment instructions with deadline dates are included in the Registration Guide for each term. It is absolutely essential that each student read and adhere to the instructions and dates as stated in each term's fee payment instructions. The Valdosta State University Homepage at <<http://www.valdosta.edu>> is an additional resource for updated information.

All registration fees, including dormitory and cafeteria, are due upon registration.

The following schedule is an example of the cost per term for a full-time student:

Tuition and Student Fees 12 hrs.+	\$1,987	\$6,551

*All charges are based on approved fees and are subject to change according to the policy of the Board of Regents.

PROBLEMS WITH PAYMENTS

Regardless of any problem with the source of funds (Direct Loans, Pell, VA, HOPE, etc.), it is a student's responsibility to have sufficient money to pay tuition and fees by the established deadlines.

REFUND OF FEES

Students officially withdrawing from the University after paying fees for the term will be issued a 100% refund for tuition, mandatory fees, campus housing, and board meal plans, provided the official withdrawal occurs **NO LATER THAN** the official drop/add day for refunds. Students officially withdrawing from **ALL** classes **AFTER** the official drop/add day will receive a refund based upon the following official refund policy:

The refund amount shall be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total calendar days in the semester. The total of calendar days in a semester includes weekends but excludes scheduled breaks of five or more days and days that a student was on an approved leave of absence. The unearned portion shall be refunded up to the time that the amount earned equals 60%.

Students who withdraw when the calculated percentage of completion is greater than 60% are not entitled to a refund of any portion of institutional charges. A refund of all non-resident fees, matriculation fees, and other mandatory fees shall be made in the event of the death of a student at any time during the academic session.

Housing fees, post office box fees, and music fees are non-refundable fees. Refunds of elective charges upon withdrawing from the institution during a term will be made on a prorated basis determined by the date of withdrawal. Flex charges and à la carte meal plans are refundable only to the extent they are unspent.

It is the student's responsibility to withdraw officially in accordance with university regulations, which are set out in this *Catalog*. Students receiving funds and financial aid monies will have their refunds restored to the following programs in this precise order: outstanding balances on non-subsidized loans, subsidized loans, PLUS loans, Pell, SEOG, other Title IV student assistant programs, HOPE, private scholarships, and finally to the student.

No refunds for reduction in academic loads or student services are allowed unless such reductions are necessitated by schedule changes initiated by the University. Students suspended or expelled for disciplinary reasons are not entitled to a refund of any deposits or fees paid. Students who are asked to vacate their residence hall rooms as a result of disciplinary actions (but who are allowed to continue attending classes) are not eligible for a refund of that term's room rent.

THE 62+ PROGRAM FOR GEORGIANS 62 AND OLDER

Georgians 62 years of age and older are eligible to enroll as undergraduate or graduate students on a "space available" basis without paying most of the normal fees or tuition. For complete eligibility requirements and application information, contact the Admissions Office, located at 1413 N. Patterson Street.

**RULES GOVERNING THE CLASSIFICATION OF STUDENTS AS
IN-STATE RESIDENTS AND NON-RESIDENTS (OUT-OF-STATE)**

1. (a) If a person is 18 years of age or older, he or she may register as an in-state student only upon showing that he or she has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
(b) No emancipated minor or person 18 years of age or older shall be deemed to have gained or acquired in-state residence status for fee purposes while attending any educational institution in this state, in the absence of a clear demonstration that he or she has in fact established legal residence in this state.
2. If a person is under 18 years of age, he or she may register as an in-state student only upon a showing that his or her supporting parent or guardian has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
3. A full-time employee of the University System and his or her spouse and dependent children may register on the payment of in-state fees even though he or she has not been a legal resident of Georgia for the preceding twelve months.
4. Out-of-state graduate students who hold teaching or research assistantships requiring at least one-third time service may register as students in the institution in which they are employed on payment of in-state fees.
5. Full-time teachers in the public schools of Georgia and their dependent children may enroll as students in the University System institutions on the payment of in-state fees.
6. All aliens shall be classified as out-of-state students provided that an alien who is living in this country under a visa permitting permanent residence shall have the same privilege of qualifying for in-state status for fee purposes as a United States citizen.
7. The president or his authorized representative may waive out-of-state tuition for international students, provided, however, that the number of such waivers in effect at any time does not exceed one percent of the equivalent full-time students enrolled at the institution in the Fall Term immediately preceding the term for which the out-of-state tuition is to be waived. Such waivers are granted for one year only and must be renewed annually.
8. If the parents or legal guardian of a minor change legal residence to another state following a period of legal residence in Georgia, the minor may continue to take courses for a period of twelve consecutive months on the payment of in-state fees. After the expiration of the twelve month period, the student may continue registration only upon the payment of fees at the out-of-state rate.
9. In the event that a legal resident of Georgia is appointed as a guardian of a out-of-state (non-resident) minor, such minor will not be permitted to register as an in-state student until the expiration of one year from the date of court appointment, and then only upon proper showing that such appointment was not made to avoid payment of the out-of-state fees.

10. Military personnel on active duty and stationed in the state of Georgia, as well as their dependents, shall be assessed tuition at the same rates as a legal resident of the state. Persons severing military service shall be considered non-residents, unless they otherwise qualify for resident status.
11. Permanent legal residents of the Florida counties of Hamilton or Madison, and their dependents shall be assessed tuition at the same rates as a legal resident of the State of Georgia upon the presentation of proof of domicile satisfactory to the institution.

Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Registrar's Office, Valdosta State University, Valdosta, Georgia 31698.

Student Responsibilities

- A. **Student Responsibility to Register Under Proper Classification:** The responsibility of registering under the proper residence classification is that of the students. If there is any question of the right to classification as a legal resident of Georgia, it is the student's obligation, prior to or at the time of their registration, to raise the question with the administrative officials of the institution in which he or she is registering and have the classification officially determined. The burden always rests with the student to submit information and documents necessary to support the contention of qualification for in-state residency under Regents' regulations.
- B. **Notification Upon Becoming a Non-Resident:** Students who are classified as residents (in-state) must notify the proper administrative officials of their institution immediately of any change (out-of-state) in their residency status.

Reclassification of Non-Resident Students

Those non-resident (out-of-state) students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Registrar's Office and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Registrar's staff, who will rule on the basis of oral evidence and other documentation supporting the petition for in-state resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for out-of-state tuition will be made and must be paid prior to the close of the academic term in which they are levied.

CHECK CASHING SERVICE

All checks and money orders must be payable through a United States bank. To accommodate students, the University will cash one personal check per day, per student, for \$50.00 or less at the Bursary. Bursary hours are Monday-Thursday, 8:00 a.m. to 5:00 p.m. and Friday, from 8:00 a.m. to 2:30 p.m. Checks will not be cashed if the student has a "Hold" on his or her student account. Checks drawn for cash only must be made payable to "VSU-CASH." The University will not accept two-party checks for cashing. Parents who send their son or daughter spending money by check should make their check payable to VSU, with the student's name on the "for" section of the check.

Checks issued to the University in payment of fees, purchases of books, etc., or to be cashed for personal convenience must be paid upon presentation to the bank on which they are drawn. Checks returned to the University for insufficient funds, account closed, stopped payment, or for any other reason will be handled in accordance with the the Collections Policy, below.

Additionally, the University can suspend the student from class and from any facilities of the University for a returned check of any reason. Suspension from class will not relieve the student from the obligation for payment of the returned check and fees.

COLLECTIONS

The University recognizes that circumstances may arise to create a balance due to the University. In effort to protect the financial interests of the institution, VSU follows Board of Regents *Business Procedures Manual*, chapter 10.0, regarding collection, due diligence procedures, and write-off.

Financial holds are placed on student accounts for balances due. These holds will not allow students to register, graduate, or receive official VSU documents until outstanding balances are paid. Students can check their account status and hold type by visiting the Banner Registration website.

Generally, student account balances that are past due 180 days and returned checks (NSF) that are over 60 days will be turned over to the University's Collection Agency.

CANCELLATION OF STUDENT REGISTRATION FOR CAUSE

The University reserves the right to cancel the registration of any student who fails to meet his or her financial responsibility, according to the rules and regulations of the University. The rules and regulations provide that:

1. All fees are due and payable upon completion of registration. Students should not report for registration without having sufficient funds available to pay their fees. The payment instructions are in each term's Registration Guide.
2. Any check issued to the University in payment of fees, or to be cashed for personal convenience, must be paid upon presentation to the bank on which it is drawn. A student who issues a check on a bank without having sufficient funds on deposit in that bank has violated the statutes of the State of Georgia and may be prosecuted.

3. All fines for violations of the rules related to parking and traffic, and charges related to the library and other facilities such as laboratory breakage, etc., must be paid promptly. Those students having outstanding obligations will not be allowed to enroll in subsequent terms.
4. Misuse of an I.D. card may result in suspension from classes of all involved students.
5. Students who have secured short term loans must have this obligation paid in full according to the terms agreed upon with the Loan Officer to avoid suspension or possible cancellation of the term's registration.
6. Students who misrepresent the facts pertaining to their qualifications to live off-campus may be suspended from classes. In each instance, students will be given proper notice to comply with the housing regulations before action is taken to effect cancellation of their registration.
7. The University reserves and intends to exercise the right to withhold copies of education records and/or to cancel enrollment of students who owe the University money.

Through a variety of services, the Office of AOD Education is helping VSU affirm itself as an institution that provides a safe and healthy environment for students to receive a quality education. The following services are available:

Assessment and Referral. If you have a problem with alcohol or other drugs, you can obtain an assessment, at no cost, to determine the extent of the substance abuse problem. OFFICE OF TESTING

Numerous standardized tests are administered by the Office of Testing to assist students with their testing requirements. The Valdosta State University Office of Testing is responsible for administering many tests given in specific areas: to entering students

for the purpose of admission and placement, to undergraduate students for proficiency, to teacher education majors for certification, and to graduate students for admission to specialized programs. Testing programs designed for students to earn college credit hours by examinations are also available. As a designated national test center, the Testing Office administers testing programs for the Educational Testing Service, The Psychological Corporation, the Law School Admissions Council, The American College Testing Program, the Association of American Medical Colleges, the State of Georgia, and the University System of Georgia, as well as for other educational and governmental agencies.

The yearly testing calendar offers 20 testing programs with many general and specialized components. Beyond the regular group testing dates, individual test administrations are also given on a weekly or monthly basis. All tests are administered by the paper-and-pencil method except the CLEP and COMPASS, which are computerized.

Prospective registrants should check with the appropriate offices at VSU to determine the required tests needed for admission to a specific discipline and the deadline for test score submission.

The Office of Testing is located in Powell Hall-West, First Floor. Telephone 229-245-3878 or <www.valdosta.edu/testing>.

Some tests available to entering students are the Scholastic Assessment Test (SAT I & II), American College Testing Program (ACT), and Computer-Adaptive Placement Assessment and Support System (COMPASS). Other tests for undergraduates include the Regents' Testing Program (RTP), the Professional Assessments for Beginning Teachers Series (PRAXIS), the College Level Examination Program (CLEP), eCore testing, and the Independent Study Program (ISE). Some tests, required for graduate admissions include the Graduate Record Examinations-Subject Area Only (GRE), the Miller Analogies Test (MAT), the Law School Admission Test (LSAT), the Medical College Admission Test (MCAT), and the Pharmacy College Admission Test (PCAT). Credentialing exams such as the American Nurses Credentialing Center (ANCC) examinations are available.

Assessment and certification examination are also administered for other educational and governmental institutions. Applications are available for the following testing programs: Graduate Management Admission Test (GMAT) and Test of English as a Foreign Language (TOEFL).

VETERANS AFFAIRS

The Veterans Affairs Office is part of the Office Financial Aid. A full-time counselor assists all veterans in completing applications for benefits, making adjustments in payments, providing tutorial assistance, updating enrollment certifications, and with other services to assist veterans with their education. Veterans enrolled in physical education courses can be certified to the Veterans Administration for VA benefits when the courses will be credited toward the completion of their approved educational program. It must be documented that credit cannot be granted for the courses based upon prior military training or experience. Veterans should refer any problems to the Veterans Office for assistance. Telephone 229-333-5935.

JUDICIAL AFFAIRS

The primary responsibility of the Judicial Affairs Office (JAO) is to oversee and conduct the student disciplinary process on campus. JAO deals mostly with individual violators but is also called on to assist with groups that violate the Code of Conduct. JAO is located on the first floor of the University Union in the Office of the Dean of Students. JAO assists students, staff, and faculty in the determination of the appropriate response needed relative to alleged violations of the Student Handbook's Student Code of Conduct. JAO's primary mission is to get students back on track regarding the completion of their degree program. For more in-depth JAO information, please call 229-333-5941 or visit JAO's webpage at <<http://www.valdosta.edu/judicial/>>.

HEALTH SERVICE

The objective of the Student Health Service is to maintain a state of optimum health, both physical and emotional, among the student body and to educate each student to proper attitudes and habits regarding personal and community health.

The Farber Health Center provides routine health care, along with some emergency care, for all students who have satisfied the health fee requirement. Health care is provided by a physician, a nurse practitioner, a pharmacist, a medical technologist, registered nurses, and office staff. Farber Health Center is located north of Palms Dining Hall on North Oak Street. A VSU ID card is required. Although the Farber Health Center is equipped to handle most illnesses, major illnesses and surgical treatment usually require the student to be returned home or, in the case of an emergency, to be taken to South Georgia Medical Center, located a few blocks from the campus. Medical care outside of the Health center will be at the student's expenses.

It is necessary for all students to complete a medical history and immunization questionnaire. These health forms become a part of Farber Health Center records. Any other pertinent information should be furnished by the student's family physician.

All new students are required to provide evidence of inoculation for mumps, measles, and rubella. The Health Center recommends these additional inoculations prior to enrollment: diphtheria/tetanus, influenza, meningitis and chicken pox. To find out more about Farber Student Health Center visit <<http://services.valdosta.edu/health.html>>.

STUDENT RECORDS

Mr. Charles L. Hudson
Registrar

The Office of the Registrar maintains the academic records of students and issues transcripts of records and certificates for various governmental agencies.

Students are encouraged to check with the Registrar's Office when questions arise concerning academic status. All students have a permanent record to which only they and authorized personnel have access, and it is to the student's advantage to check this record periodically. Official transcripts are provided upon written request of the student. All undergraduate and graduate work constitutes a complete academic record. Portions of that record will not be deleted when transcripts are provided. All grades assigned remain on the student's permanent record and transcript. Two weeks' processing time should be allowed for the preparation of transcripts and certifications.

Transcripts of academic records from other universities and high schools are not provided. The student must contact previous institutions attended for those transcripts. It is also the student's responsibility to contact testing agencies for test score reports.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY
ACT OF 1974 AND AMENDMENTS**

Notification of Rights under the Family Educational Rights and Privacy Act of 1974 (FERPA) for Post-Secondary Institutions dealing with Student Educational Records

In accordance with the policy of the Board of Regents of the State of Georgia and under the provisions of The Family Educational Rights and Privacy Act of 1974 (FERPA), Valdosta State University maintains various educational records for each matriculating student. VSU affords students certain rights with respect to these educational records, and these rights include:

(1) The right to inspect and review the student's educational records within 45 days of the day the University receives a request for access. Students should submit to the registrar, the dean of the appropriate college, the head of the appropriate academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. VSU's official contact person for such record requests is the Custodian of Official Records in the Office of the Vice President for Academic Affairs. There will be a nominal fee for the retrieval and reproduction of any record requests.

(2) The right to request the amendment of the student's educational records that the student believes are inaccurate. Students may ask the University to amend a record that they believe is inaccurate. They should write the University official responsible for the

record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the university decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.

Directory information: Valdosta State University publishes student information in the form of directories, programs, etc. Students who desire that directory information not be released without consent should notify the Office of the Registrar. The following is considered directory information unless notification is received to the contrary:

Student's name, address (local and home), telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, class schedule, photograph, full- or part-time status, e-mail address, and the most recent previous educational agency or institution attended by the student.

Educational records may be furnished to a requesting party in compliance with a judicial order or pursuant to any lawfully issued subpoena.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failure by Valdosta State University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605. Telephone 202- 260-3887.

The following are exceptions within FERPA, and students should take note of them:

- A. Students do NOT have access to the financial records of parents of students.
- B. Students do NOT have access to letters of recommendation placed in records prior to January 1, 1975.
- C. Personal records of instructional, supervisory, and administrative personnel are NOT open for review and inspection by students.

COMPUTING AND DATA NETWORKING FACILITIES

Mr. Joe Newton
Interim Chief Information Officer

The university operates a variety of sophisticated, state-of-the-art computing and data networking facilities to support its academic, research and administrative activities. The facilities include several powerful UNIX-based central servers, Over 3,000 microcomputers, 90 high-end workstations, and 50 distributed file servers running Novell NetWare or Microsoft Windows Server 2000/2003, all of which are interconnected via a high speed data network.

VSU was recognized nationally in October 2001 by *Yahoo! Internet Life* magazine as one of the 'Top 100 Most Wired' campuses in the United States and is known in the University System of Georgia as a technology leader. Located in the Computer Center in Nevins Hall, a Hewlett Packard 9000 large-scale business server, model N4000, supports the student information system. VSU keeps updated with the state-wide implementation of the SCT Banner Student Information and Financial Aid Systems, enhancing student support operations such as admissions, registration, advising, and financial aid processing. Student registration and general access to data can be easily accomplished via the web or the Campus Pipeline Luminis portal. The Business and Financial Software System from PeopleSoft Corporation has been managed by VSU since June 1999 and placed in full production in November 2001. All systems utilize the Oracle RDBMS database product.

Housed in two secured server rooms on the main campus and managed by the Systems Support Services group, a load-balanced series of Sun V and E series servers and StorEdge storage servers provide domain name services, email, web, portal, and courseware services for the students, faculty, and staff. Directory and email services are provided to the portal and email clients via the Sun One platform products that are integrated into the Campus Pipeline Luminis portal. Courseware is provided using the WebCT Vista product and supports as many as 200 faculty and 5,000 students in 200 courses. Supporting both the portal and courseware services is a separate Oracle RDBMS instance.

An extensive data network, with its central core of bridges and routers, provides Fast Ethernet and Gigabit Ethernet communications between all servers and microcomputers. The 20 miles of fiber and 62 miles of copper wire connect main campus buildings, as well as three on North Campus, the VSU Regional Center for Continuing Education 1 mile away, Plant Operations 1.5 miles away, and 12 buildings adjacent to the main campus. Internet access is provided via a circuit to the state-wide PeachNet network (currently 100Mbps). In addition to the "hardwired" network described, VSU has also implemented an extensive wireless data network. Over 250 wireless access points have been

installed in all academic buildings and residence halls on the campus to create an umbrella of coverage. All resident students have wireless capability, and all academic buildings including Odum Library are supported, as well as three student activities locations. To increase utilization, 12 roll-around carts with 20 wireless laptops each have been provided to various academic departments for student checkout to use in classes.

Currently 3,710 “end user” type computers are located on the Valdosta State University campus. Microcomputers are provided to every faculty member and all staff in administrative offices. Over 1,800 microcomputers are available to students in 60 labs and classrooms, with 3 to 80 machines each, located throughout the campus. Special purpose labs provide CAD, molecular modeling, graphics, video production, and music software to support programs such as pre-engineering, interior design, chemistry, mass media, and music. Two labs are installed at Kings Bay Naval Base to support VSU operations at that location. All machines have the campus standard software installed: Microsoft Windows XP and Office 2003 Professional, communications products (Internet Explorer, Outlook, Netscape, Eudora, Secure Shell, and others) and centrally managed virus protection software. Various microcomputer servers, Sun and Compaq high-end workstations, local networks, and other facilities are located centrally and in the colleges and administrative offices to provide additional support to students, faculty, and staff.

VSU’s Odum Library operates seven student computer labs with 18-80 PCs each. The library has 20 study rooms available to VSU affiliates, each equipped with a computer connected to the campus network, the Internet, and a network printer. The library implemented a new web catalog from the Endeavor Company in January 2001, called GIL (Galileo Interconnected Libraries), which is now used by all University System schools. GIL provides not only the Online Public Access Catalog, but also the University System of Georgia Union Catalog (formerly PALS), making it possible to place electronic requests for books held by other USG libraries. In 2004 the Odum Library Inter-Library Loan department implemented the commercial product titled ILLIAD. This computer system aids in the sharing of scholarly information worldwide. During fall semester 2005 the ILLIAD program facilitated the fulfillment of over 3,500 requested articles and other various forms or research data to recipients worldwide.

FINANCIAL AID FOR GRADUATE STUDENTS

Mr. Douglas Tanner
Director of Financial Aid
University Center

The purpose of the student aid program is to help make higher education a reality for persons who would be unable to attend without financial assistance. However, financial aid is awarded only to eligible students who have been admitted to the University. Transient students are not eligible for financial aid. The financial aid application may be submitted at any time after the applicant has applied for admission.

Financial aid applications are accepted and processed throughout the academic year, but priority is given to those submitted by May 1.

Graduate students must maintain a minimum graduate grade point average of 2.5 to be eligible for financial aid.

LOANS

The Federal Direct Stafford/Ford Loan. This loan allows students enrolled at least half-time to borrow money at low interest for educational expenses. There are two types of Federal Direct Stafford/Ford Loans: (1) Federal Direct Subsidized Stafford/Ford Loans and (2) Federal Direct Unsubsidized Stafford/Ford Loans. The Federal Direct Subsidized Stafford/Ford Loans is need based, and the Federal Government subsidizes and pays the interest on this loan while the student is in school and during the six-month grace period. The unsubsidized loan is not need-based. This loan was created for borrowers who do not qualify for federal interest subsidies. The student either pays the interest while in school and during the six-month grace period or it is added to the balance of the loan. A completed Free Application for Federal Student Aid is required.

FINANCIAL AID ACADEMIC REQUIREMENTS

In accordance with the Higher Education Act of 1965, as amended, students must be making satisfactory academic progress, to qualify for and continue to receive Title IV federal financial aid.

Graduate students are expected to maintain the academic standards outlined in the official catalog of Valdosta State University. Students who fail to meet the standards will be placed on academic suspension. Students receiving financial aid who are placed on academic suspension will have their financial aid terminated. Financial aid applicants who were placed on academic suspension at the end of the last semester they attended are not eligible for financial aid.

Graduate students must maintain a cumulative grade point average of not less than 2.5 in order to be eligible for financial aid.

Monitoring of Satisfactory Progress

Compliance with the academic requirements will be checked at the end of each semester and at the time the student applies for financial aid. The 67% completion requirements will be checked at the end of each spring semester. When students apply during the academic year the grade point average will be checked as of the last semester attended; the 67% completion requirement will be checked as of the end of the last academic year of attendance.

Summer Session

Courses taken during the summer are counted exactly the same as courses taken any other semester.

Reinstatement of Aid

Reinstatement of Financial Aid depends upon availability of financial aid funds at the time of the application for reinstatement and other factors:

Graduate students terminated from aid because of academic suspension or failure to complete 67% of their courses in an academic year must complete nine semester hours, at their own expense, at VSU with a grade of “C” or better in each of the courses before they will be eligible to receive financial aid in the future.

Appeals

Students wishing to appeal may do so by filling out a Satisfactory Progress Petition and presenting it to the Financial Aid Office, along with any supporting documentation. The Financial Aid Office staff may take into consideration illness, death in the immediate family, or any other extenuating circumstances. Students will be notified, in writing, of the decision.

Students wishing to appeal the decision of the Financial Aid Office may do so, by writing to the Student Financial Aid Committee.

FINANCIAL AID FOR INTERNATIONAL STUDENTS

Outstanding students may qualify for a waiver of the out-of-state tuition fees; such a waiver greatly reduces the cost of study at Valdosta State University. Interested international applicants should include with their applications a formal statement requesting consideration for a waiver of out-of-state tuition fees.

In addition to the tuition waivers, a limited number of graduate assistantships are available each year. Recipients work a specified number of hours in an academic department or with a faculty member and receive a partial waiver of tuition plus a small amount of money to help them with their living expenses. Students interested in information about graduate assistantships should write directly to: The Graduate School, Valdosta State University, Valdosta, GA 31698 USA.

RULES GOVERNING THE CLASSIFICATION OF STUDENTS AS RESIDENTS (IN-STATE) AND NON-RESIDENTS (OUT-OF-STATE)

1. (a) If a person is 18 years of age or older, he or she may register as an in-state student only upon showing that he or she has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
(b) No emancipated minor or person 18 years of age or older shall be deemed to have gained or acquired in-state residence status for fee purposes while attending any educational institution in this state, in the absence of a clear demonstration that he or she has in fact established legal residence in this state.
2. If a person is under 18 years of age, he or she may register as an in-state student only upon a showing that his or her supporting parent or guardian has been a legal resident of Georgia for a period of at least twelve months immediately preceding the date of registration.
3. A full-time employee of the University System and his or her spouse and dependent children may register on the payment of in-state fees even though he or she has not been a legal resident of Georgia for the preceding twelve months.
4. Out-of-state graduate students who hold teaching or research assistantships requiring at least one-third time service may register as students in the institution in which they are employed on payment of in-state fees.
5. Full-time teachers in the public schools of Georgia and their dependent children may enroll as students in the University System institutions on the payment of in-state fees.
6. All aliens shall be classified as out-of-state students provided that an alien who is living in this country under a visa permitting permanent residence shall have the same privilege of qualifying for in-state status for fee purposes as a United States citizen.
7. The president or his authorized representative may waive out-of-state tuition for international students, provided, however, that the number of such waivers in effect at any time does not exceed one percent of the equivalent full-time students enrolled at the institution in the Fall Term immediately preceding the term for which the out-of-state tuition is to be waived. Such waivers are granted for one year only and must be renewed annually.
8. If the parents or legal guardian of a minor change his or her legal residence to another state following a period of legal residence in Georgia the minor may continue to take courses for a period of twelve consecutive months on the payment of in-state fees. After the expiration of the twelve month period, the student may continue registration only upon the payment of fees at the out-of-state rate.
9. In the event that a legal resident of Georgia is appointed as a guardian of a out-of-state (non-resident) minor, such minor will not be permitted to register as an in-state student until the expiration of one year from the date of court appointment, and then only upon proper showing that such appointment was not made to avoid payment of the out-of-state fees.
10. Military personnel on active duty and stationed in the state of Georgia, as well as their dependents, shall be assessed tuition at the same rates as a legal resident of the state. Persons severing military service shall be considered non-residents, unless they otherwise qualify for resident status.

11. Permanent legal residents of the Florida counties of Hamilton or Madison, and their dependents shall be assessed tuition at the same rates as a legal resident of the State of Georgia upon the presentation of proof of domicile satisfactory to the institution.

Please Note: In order to avoid delay and inconvenience upon arrival for registration, any question concerning residence status should be clarified immediately upon receipt of acceptance of admission or not later than one month prior to the registration date. Questions for clarification should be addressed to Resident Committee, Office of the Registrar, Nevins Hall, Valdosta State University, Valdosta, GA 31698.

Student Responsibilities

- A. **Student Responsibility to Register Under Proper Classification:** The responsibility of registering under the proper residence classification is that of the students. If there is any question of their right to classification as a legal resident of Georgia, it is their obligation, prior to or at the time of their registration, to raise the question with the administrative officials of the institution in which they are registering and have it officially determined. The burden always rests with the students to submit information and documents necessary to support their contention that they qualify for in-state residency under Regents' regulations.
- B. **Notification Upon Becoming a Non-Resident:** Students who are classified as residents (in-state) must notify the proper administrative officials of their institution immediately of any change (out-of-state) in their residency status.

Reclassification of Non-Resident Students

Those non-resident (out-of-state) students who believe they have met the resident requirements as previously set forth may complete a Petition for Residence Status, which is available in the Registrar's Office, Nevins Hall, and must be completed and supported by the required documentation before an initial review of status can be conducted.

The initial review is conducted by a member of the Registrar, who will rule on the basis of oral evidence and other documentation supporting the petition for in-state resident status. The results of the initial review, if unfavorable, may be appealed to the Residence Status Review Committee and ultimately to the president, if such action is required.

Such petitions and appeals must be completed no later than 60 days following registration for the academic term for which residence status is to be effected. If the petition is granted, reclassification will not be retroactive to prior terms.

Should it be determined that the student has misrepresented or omitted material facts which results in classification or re-classification as a resident student, retroactive charges for out-of-state tuition will be made and must be paid prior to the close of the academic term in which they are levied.

Valdosta State University has been defined by the Board of Regents of the University System of Georgia as a residential institution, and the University must provide on-campus housing and dining service. All undergraduate students who live in residence halls are required to participate in the meal program. The policy is a part of the total "Living-Learning" concept of the University and is supported by an amendment to the Georgia Eighteen-Year-Old Bill which reads, "Nothing in this Act shall be construed to limit the powers of the Board of Regents of the University System of Georgia to adopt and enforce rules and regulations for the government, control, and management of the University System; nor shall this Act be construed so as to limit the authority of any institution in the University System of Georgia to adopt and enforce rules and regulations governing housing, conduct, discipline, and other related activities of the student body." By Regents' Policy, the Auxiliary Services Division is totally self-supporting and receives no State allocations of funds.

HOUSING AND RESIDENCE LIFE

Valdosta State University administers a Freshman Residency Policy which requires that all freshmen live on campus. To obtain an exemption from this requirement, a student must apply for exemption and meet one of the following criteria: 30 semester hours of earned academic credit and sophomore status, age 19 by September 30 of the current academic year, or residing with parent(s), spouse, or legal guardian. Exemption forms are available at the Office of Housing and Residence Life, 104 Georgia Avenue, telephone 229-333-5920.

Housing Application and Contract

The Housing Application and Contract forms are sent to students after their acceptance to the University. Housing applications may be submitted only after the student has been formally accepted by Valdosta State University. All students applying for campus housing will be required to sign a contract with housing for the academic year. Apartment residents must sign at 12-month contract. All students who plan to live in campus housing must pay an application fee of \$25.00 when they submit their Housing Application and Contract. Additionally, each student must pay a \$300.00 reservation fee by the deadline established in the Housing Contract. This reservation fee is applied to the student's spring semester fees. The housing contract outlines conditions under which refunds may be made. Occupancy of a residence hall room is terminated at the end of each spring semester. Apartment contracts terminate at the end of summer term. Students currently enrolled should obtain an application for housing at the Office of Housing and Residence Life, located in Powell Hall East. Refer to the housing contract for specific terms and conditions. Please read the contract carefully; it constitutes a fully binding legal agreement with the University. Any resident desiring release from the contract prior to the conclusion of the academic year must complete a *Request for Release from Contract*, available in Office of Housing and Residence Life.

Residence Hall Schedule

The rate of \$1,470 per semester for 2006-2007, which includes the House Activity Fee (\$20) and Post Office Box Fee (\$10), is in effect for Georgia, Langdale, Reade, and Hopper Halls. The rate of \$1,520 is in effect for Brown, Lowndes, and Patterson Halls. This rate is based on dual occupancy. The University reserves the right to require students to accept dual occupancy or, if a private room is available and requested, to pay an additional private room fee. It is the University's option to close any of its residence halls in any given semester or to reassign students to rooms at any time.
