CENTER FOR eLEARNING

Ms. Meg Moore, Director Odum Library Suite 2619

The Center for eLearning provides support, training, and instructional design services for faculty teaching in online, hybrid, and technology-enhanced courses using the Valdosta State BlazeVIEW or University System of Georgia collaborative learning management system (LMS), GoVIEW. The Center also supports VSU and VSU-collaborative students with troubleshooting support for technology-enhanced courses including clicker student response, Wimba, Turnitin, and other products. The center provides administrative support and assistance to faculty and students in USG collaborative initiatives including: eCore, the online core curriculum courses; eMajor, the collaborative online undergraduate bachelor's degree programs; and the collaborative graduate Education programs delivered via INGRESS and the GoVIEW LMS. In addition to support, Center staff provide professional development and training opportunities to VSU faculty and administrators, facilitate web- and video-conferencing for academic and administrative events, offer instructional design consultation and reviews of online and hybrid courses based on Quality Matters national standards, and in partnership with the Center for Continuing Education host the Online Lifeline Conference on an annual basis.

PUBLIC SERVICES AND CONTINUING EDUCATION

Mr. Bill Muntz, Director 903 North Patterson Street

PUBLIC SERVICES

The Division of Public Services, with offices in the Regional Center for Continuing Education, 903 North Patterson Street, administers a number of educational and education-related programs. Public Services programs at Valdosta State University are designed to aid residents of South Georgia in continuing their education. The personnel in Public Services desire to learn of the needs and interests of area residents that can be met best by the University. Efforts are made to identify resources located in the institution and in the community to develop educational programs and services to meet community needs and interests.

There are two major departments in Public Services: Continuing Education, and Video Production Services.

CONTINUING EDUCATION (NON-CREDIT COURSES)

The Continuing Education Department oversees the non-academic credit programs offered by the University for persons in Valdosta and the surrounding communities. Activities include Learning in Retirement, Children's Programs, Professional Development, and Personal Enrichment Classes. In addition to general classes, Continuing Education develops and presents contract seminars and courses to meet the needs of specific business and industry groups and offers a wide variety of courses and career development certificate programs online. Some courses are developed especially to meet the licensing or certification requirements of specific professional groups requiring continuing education credit.

The Southern Association of Colleges and Schools requires the use of the CEU (Continuing Education Unit) by member institutions and provides this definition: "One continuing education unit is ten contact hours of participation in an organized, continuing education experience

under responsible sponsorship, capable direction, and qualified instruction." Continuing Education administers the CEU procedures for the University. The department also manages the Professional Learning Unit (PLU) program approval and crediting procedures for teacher recertification.

VIDEO PRODUCTION SERVICES

The Video Production Services Department provides video and audio production services for a wide variety of needs, using broadcast-quality digital television facilities. Webcasting services are also provided.

UNIVERSITY SYSTEM OF GEORGIA

270 Washington Street, S.W., Atlanta, GA 30334

The University System of Georgia includes all state-operated institutions of higher education in Georgia—four research universities, two regional universities, thirteen senior colleges, and fifteen junior colleges. These thirty-four public institutions are located throughout the state. A constitutional Board of Regents governs the University System, which has been in operation since 1932. Appointments of Board members—five from the state-at-large and one from each of the state's Congressional Districts—are made by the Governor, subject to confirmation by the State Senate. The regular term of Board members is seven years. The Chancellor, who is not a member of the Board, is the chief executive officer of the Board and the chief administrative officer of the University System. The overall programs and services of the University System are offered through three major components: Instruction, Research, and Public Service and Continuing Education

Instruction consists of programs of study leading toward degrees, ranging from the associate (two-year) level to the doctoral level, and certificates. Requirements for admission of students to instructional programs at each institution are determined, pursuant to policies of the Board of Regents, by the institution. The Board establishes minimum academic standards and leaves to each institution the prerogative to establish higher standards. Applications for admission should be addressed in all cases to the institutions.

Research encompasses investigations conducted primarily for discovery and application of knowledge. These investigations, conducted on campuses and at many off-campus locations, cover a large number and a variety of matters related to the educational objectives of the institutions and to general societal needs. Most of the research is conducted through the research universities; however, some of it is conducted through several of the other institutions.

MEMBERS OF THE BOARD OF REGENTS

Wilheit, Philip A., Sr. (2013) (Vice Chair) Tarbutton, Benjamin J. (2013) Bernard, Kenneth R., Jr. (2014) Stelling, Kessell, Jr. (2015) NeSmith, William H., Jr. (2015) (Chair) Ellis, Larry R. (2016) Hopkins, C. Thomas, Jr. (2017) Walker, Larry (2016) Pruitt, Neil L., Jr. (2017) Griffin, Rutledge A., Jr. (2018) Alford, C. Dean (2019) Poitevint, Doreen Stiles (2018) Leebern, Donald M., Jr. (2019) Tucker, Richard L. (2019) Wade, T. Rogers (2020) Smith, E. Scott (2020) Hooks, George (2020) Durden, Lori S. (2020)

PRINCIPAL OFFICERS OF THE BOARD OF REGENTS

Hank M. Huckaby Chancellor

Dr. Houston Davis Executive Vice Chancellor and Chief Academic Officer

Steve WrigleyExecutive Vice Chancellor for AdministrationCurtis A. Carver, Jr.Vice Chancellor and Chief Information Officer

Lee H. Richey Interim Vice Chancellor for Facilities

John E. Brown Vice Chancellor for Fiscal Affairs and Treasurer

J. Burns Newsome Vice Chancellor for Legal Affairs

 John Fuchko III
 Chief Audit Officer and Associate Vice Chancellor

 Tom Daniel
 Senior Vice Chancellor, Office of External Affairs

Public Service and Continuing Education consists of non-degree activities, primarily, and special types of university-degree-credit courses. The non-degree activities are of several types, including short courses, seminars, conferences, lectures, and consultative and advisory services, in a large number of areas of interest. Typical university-degree-credit public service/continuing education courses are those offered through extension center programs and teacher education consortia.

The policies of the Board of Regents for the government, management, and control of the University System and the administrative actions of the Chancellor provide autonomy of high degree for each institution. The executive head of each institution is the President, whose election is recommended by the Chancellor and approved by the Board. State appropriations for the University System are requested by, and are made to, the Board of Regents. Allocation of the appropriations is made by the Board.
