## VI. General Information

- 1. DE classes attended on the college campus follow the college calendar and DE classes attended on the high school campus during their scheduled school day follow the high school calendar.
- 2. Students participating in DE college courses should do so with the knowledge that the course work may be more rigorous and challenging than high school courses. Students are held to a higher degree of independent responsibility and accountability than in regular high school classes.
- 3. Students may be responsible for additional costs, such as course or lab fees/supplies, and/or fees charged for late or damaged textbooks.
- 4. Only full-time DE students are eligible to take PE at any USG institution. PE classes are not available to DE students at TCSG institutions. Students must check with private institutions for their policies.
