</table>
• Select the video series you are interested in
• Select the specific videos you are interested in
• Select Preview Selections

If you are happy with the selections:
• Select Submit

If you wish to re-select:
• Select Back
Once submitted you will receive the following message:

- Select Submission Successful! Back to Course bar
- Refresh your browser page

Students now have immediate access to the fully captioned videos (and playing time) and can view them without exiting BlazeVIEW. Once the student has viewed the video a green checkmark appears next to the video name.
