

# **Web Design Certificate Program Agreement**

The intent of VSU Professional & Community Education's *Web Design Certificate Program* is to provide foundational knowledge and skills in web design and development. You have up to 18 months to complete these courses. You must pass all courses with a 70% AND maintain a minimum GPA of 70%. (Please note: Ed2Go's passing grade is 65%; this does NOT meet VSU PACE's minimum requirement for our certificate programs.) Use the *Course Checklist & Certificate Request* form to keep track of your classes. Upon completion of all courses in the program, submit the *Course Checklist & Certificate Request* to VSU Professional & Community Education (PACE) in order to receive your program certificate.
