Verizon Hotspot MiFi MHS900L Instructions

The MiFi data is covered by VSU during the loan period of the device. Once the loan period is up, the device will no longer be functional. Contact the New Media Center at 229-333-5863 if you are having basic connection issues. Network access will be limited based on Verizon access in the area being used.

To charge the battery:

- Connect the USB end of the Quick Charge charger into the charging port of the Jetpack.
- Plug the other end of the wall charger into the appropriate electrical outlet.
- When the battery is fully charged, the battery icon will turn solid black.

Turning Your Jetpack On and Off:

- To turn your Jetpack on, press and hold the Power button for 2 seconds.
- To turn it off, press and hold the Power button for 3 seconds.
- To wake the Jetpack display, press and release the Power button.

Connecting to Your Jetpack:

Turn on your Wi-Fi enabled device and your Jetpack. The Jetpack will broadcast its own wireless network name and password.

- To get the Network Name and Password, click the Power button once to view the Data Usage.
- Click the Power button a second time to get the Wi-Fi Network Name
- On your Wi-Fi Enabled device, find the Wi-Fi Network Name.
- On the Jetpack press the power button a third time to get the Password.
- Enter the Password on your Wi-Fi Enabled device.
