Sample GEM partner GEM Plan

Oral Communication

Speech courses that prepare students to organize oral presentations to persuade, debate, argue or inform in a clear, concise and logical manner. Emphasis must be on content and delivery. Group and interpersonal communication courses are not acceptable.

| Course Code - Title | Credit Type | # Credits |
|---|---------------|-----------|
| COM110 - Principles of Speech | SEMESTER HOUR | 3 |

Written Communication

English composition. Applicable communication courses must satisfy the delivering institution's writing and composition requirement for graduation. Business communication and technical writing courses are not acceptable. Higher level writing and composition courses may be applied as a program elective.

| Course Code - Title | Credit Type | # Credits |
|--|---------------|-----------|
| ENG110 - English Composition | SEMESTER HOUR | 3 |

Mathematics

Intermediate algebra or a college-level mathematics course that satisfies the delivering institution's mathematics requirement for graduation. Courses such as accounting, business mathematics, computer mathematics, statistics (taught outside the mathematics department), history of mathematics, and mathematics for elementary and secondary teachers are not applicable. Three semester hours of mathematics are required for graduation. However, if an acceptable mathematics course is applied as a technical or program elective, a natural science course may be substituted for mathematics.
