**TEACHING STYLE/PHILOSOPHY:**

I use an active teaching style in the classroom. This means that you are an active participant in the learning process. You are expected to be prepared, to interact, and discuss the topics that are being taught on the given dates. My classroom and teaching style does not adhere to an experience in which you come to class, listen to lectures, take notes, and take tests. **THIS IS NOT A CLASS THAT YOU CAN COME TO EVERYDAY AND NOT GET INVOLVED.** Learning in this class comes in many shapes and forms. You will be expected to participate in discussions, exercises, and the active learning process. I conduct my class in an interactive manner which encourages participation because I believe that students learn more effectively by connecting more practical examples to a complex theory. I recognize that students learn in different ways, so I teach using three common modalities kinesthetic, visual and auditory styles. In assisting the students with comprehending the information presented in class, I utilize groups, movies and media examples as points of reference. As the educator, it is important to understand the subject well enough to convey to the students

The test material will be taken from my lectures, the discussions we have in class, and any assigned readings.

**COURSE DESCRIPTION:**

Prerequisite: AFAM 3000. This course explores what it means to be a Black man in the 21st century. Historical, political, and cultural perspectives will be considered.

**COURSE OBJECTIVES:**

1. To critically evaluate some of the issues that have plagued African American male progress.
2. To increase awareness of issues that have been barriers to the development and equality of the African American men.

3. To develop an understanding of the dynamics of racial domination in the United States, the reality and implications of that domination on the African American male.
4. To develop an understanding of how the African American male and his perspective has evolved over time.
5. Students will explore examples of successful contemporary African American males and how this success provides a blueprint for African American males to be successful today.
6. Develop an understanding of the social, political, historical perspectives that influence the African American male.
7. Learn the characteristics and attributes that serve as the blue print for African American males to be successful in today's society.

At the end of the term, all students will be encouraged to complete the online Student Opinion of Instruction survey (SOI) that will be available on BANNER. Students will receive an email notification through their email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrator. Instructors will be able to view only a summary of all responses two weeks after they have submitted final grades. While instructors will not be able to view individual responses or to access any of the responses until after final grade submission, they will be able to see which students have or have not completed their SOIs, and student compliance may be considered in the determination of the final course grade. These compliance and non-compliance reports will not be available once instructors are able to access the results. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at <http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml>.

#### **REQUIRED TEXT:**

- 1) **The Black Male Handbook: A Blueprint for Life** by Kevin Powell
- 2) **Successful African American Men: From Childhood to Adulthood** by Sandra Taylor Griffin

#### **OFFICE HOURS:**

Please note that I am available for consultations by appointment only. You can schedule an appointment face to face, by phone or through email.

#### **ATTENDANCE POLICY:**

Absences from class seriously undermine student progress therefore; students are expected to attend each class. **LATE ARRIVALS** as well as **EARLY DEPARTURES** from class can count as an absence. As per University policy (Undergraduate Catalog, page 83), ***"a student who misses more than 20% (n=5) of the scheduled classes of a course will be subject to receiving a failing grade ('F') in the course."*** Please note that **FIVE points** for each absence that exceeds the allowed number of absences (5) will be deducted from your final grade. The instructor will keep a record of all student absences from class. At the end of the semester, the number of absences will be reported to the Registrar's Office.

**LIMIT ON COURSE WITHDRAWALS (5 “W” POLICY):**

Effective fall 2010, all undergraduate students are limited to five course withdrawal (“W”) grades for their entire enrollment at VSU. Once a student has accumulated five “W” grades, all subsequent withdrawals (whether initiated by the student in Banner or initiated by the instructor on the proof roll) will be recorded as “WF.” The grade “WF” is calculated as an “F” for GPA purposes.

The limit on withdrawals does not apply if a student withdraws from **ALL** classes in a given semester before the mid-term point of the semester. Transfer students, regardless of their classification upon enrolling at VSU, are also limited to five withdrawals at VSU.

**CLASS NORMS:**

Expression of individual opinions and free discussion is encouraged in this course. This demands tolerance (and respect) on your part for those opinions with which you do not agree. Tolerance for opinions does not refer to acceptance of prejudicial or demeaning remarks. **Personally demeaning remarks will not be tolerated.** This includes remarks that are racially and/or sexually offensive. Students who become disruptive in class will be asked to leave the class. It is expected that everyone will be respectful and conduct themselves in an orderly and professional fashion.

**CELL PHONES, I-PODS, I-Pads, Laptops OTHER ELECTRONIC DEVICES:**

As a member of the learning community, each student has a responsibility to other students who are members of the community. When cell phones or pagers ring and students respond or leave class to respond or text in class, it disrupts the class. Therefore, **cell phone use (of any kind – voice, texting, calculator, photography...) is banned** during class. Phones must be rendered **inaudible** (either turn them off completely or at least set them not to make noise) during class time.

**ASSIGNMENT POLICY:**

All assignments are expected to be turned in on time. If you have a problem turning the assignment in on time you must talk to the instructor **BEFORE the project is due**. The instructor determines the adequacy of the student's justification for the late assignment and will assess a late penalty of **10% per day** each day (up to four days) the assignment is late. Please note that assignments will not be accepted beyond 4 days. Any assignment that is 4 days late will receive a maximum score of 60. Please note that all assignments in the online course must be uploaded into the blazeview assignment area.

**CHEATING POLICY:**

Cheating involves violation of integrity and the Academic Code of Ethics. Examples include, but are not limited to the following:

- a) Using unauthorized notes on an exam, test, or class exercise.
- b) Plagiarizing on a paper or class exercise will **automatically result in a 0**. **Students will not be permitted to “redo” an assignment for plagiarism**

**Definition of Plagiarism:**

- (1) You cannot use another writer's exact words without using quotation marks and giving a complete citation, which indicates the source of the quotation such that your reader could

locate that quotation in its original context. As a rule of thumb, taking a passage of eight or more words without citation is a violation of federal copyright laws;

- (2) It is not acceptable to edit or paraphrase another's words and present the revised version as your own work;
- (3) It is not even acceptable to present another's ideas as your own-even if you use totally different words to express those ideas.
- c) Taking or procuring or attempting to take or procure an unauthorized copy of a test, exam.
- d) Taking or modifying an instructor's grade book.
- e) Copying from another student's exam, test, or class exercise.
- f) Communicating with others during an exam, test, or exercise.

Whether the student involved is an active participant in the above, or the passive agent to the above makes no difference. In other words, assisting with and allowing the above to occur is also a violation of the Code of Ethics.

The act of student cheating dishonors the student, the student's peers, the faculty, and the entire academic enterprise. According to the departmental policy on cheating, "faculty feel strongly that academic cheating violates the integrity of the classroom environment." **Also, as outlined in the VSU Student Handbook, students who cheat will receive "a grade of "F" in the course."** Also, the instructor may decide that **further action** is warranted, and the case may "be **referred to the Dean of Students** where [more severe] official charges may be drawn up." Students should consult with the instructor if there are any questions regarding academic honesty or dishonesty.

### **ACADEMIC HONESTY POLICIES AND PROCEDURES:**

Academic integrity is the responsibility of all VSU faculty and students. Faculty members should promote academic integrity by including clear instruction on the components of academic integrity and clearly defining the penalties for cheating and plagiarism in their course syllabi. Students are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct and the faculty members' syllabi. All students are expected to do their own work and to uphold a high standard of academic ethics.

#### **A. Academic Integrity Violations**

Cheating and plagiarism are academic integrity violations. Additional violations may be added as deemed appropriate. The following academic integrity violations are not to be considered all-inclusive:

- 1. No student shall use or attempt to use unauthorized materials or devices to aid in achieving a better grade on a component of a class.
- 2. No student shall receive or give or attempt to receive or give assistance not authorized by the instructor in the preparation of an essay, laboratory report, examination or other assignment included in any academic course.
- 3. No student shall take or attempt to take, steal, or otherwise procure in an unauthorized manner any material pertaining to the conduct of a class, including but not limited to tests, examinations, laboratory equipment, and roll books.

4. No student shall sell, give, lend, or otherwise furnish to any unauthorized person material which can be shown to contain the questions or answers to any examinations scheduled to be given at any subsequent date in any course of study offered by the University, without authorization from the University.

5. No student shall engage in plagiarism, which is presenting the words or ideas of another person as if they were the student's own. Essays, term papers, laboratory reports, tests, online writing assignments, and other similar requirements must be the work of the student submitting them. Some typical examples of plagiarism are:

- Submitting an assignment as if it were one's own work when, in fact, it is at least partly or entirely the work of another.
- Submitting a work that has been purchased or otherwise obtained from an Internet source or another source.
- Incorporating the words or ideas of an author into one's paper without giving the author due credit, e.g., when direct quotations are used, they must be indicated, and when the ideas of another are incorporated in the paper they must be appropriately acknowledged.

## **B. Academic Integrity Academic Response**

Valdosta State University policy is that a violation of Appendix A, Section I may and should be handled by the professor, the student, and possibly the department head or academic dean concerned with the offense. Sanctions for an academic integrity violation should be outlined in the course syllabus.

Any faculty member who has documentation and/or suspects that academic dishonesty has occurred shall

(1) Gather all pertinent information, and

(2) Meet with the student or students involved, and

(3) Inform the student or students of the academic response to an alleged violation of academic integrity. The faculty member will notify his/her department head and/or dean of these decisions and may also contact the Student Conduct Office in the Dean of Students office for procedural clarification if desired.

The most severe action that may be administered by any faculty member is a grade of "F" in that particular course. This is an academic response and not a disciplinary recommendation. A student who wishes to appeal an academic response to an alleged violation of academic integrity may follow the grade appeal process (weblink for grade appeal form).

<http://www.valdosta.edu/gradschool/documents/VSUFinalCourseGradeAppealForrev2.doc>

## **C. Academic Integrity Disciplinary Response**

To initiate the disciplinary response process to an academic integrity violation, a faculty member should submit a Report of Academic Dishonesty, along with supporting documentation as noted on the report to the Student Conduct Office in the Dean of Students Office. This report shall be made part of the student's disciplinary record and shall remain on file with the Student Conduct Office in the Dean of Students Office in accordance

with Board of Regents record retention policy. A student's file on academic dishonesty is not intended nor designed to allow access by faculty members seeking historical information or otherwise concerning a particular student. The purpose of the file is for the Dean of Students Office to determine if multiple cases of academic dishonesty have occurred during a student's academic career at Valdosta State University. If a student is found to have cheated/plagiarized and withdraws from the course prior to the awarding of a grade, the Report of Academic Dishonesty will still be placed on file in the Student Conduct Office.

(<http://www.valdosta.edu/academic/documents/ReportofAcademicDishonesty.doc>)

After a second (or subsequent) Report of Academic Dishonesty has been submitted to the Student Conduct Office in the Dean of Students Office, official charges will be drawn up and the disciplinary matter will be referred to the Valdosta State University Judicial Committee. The VSU Judicial Committee will utilize the disciplinary procedures outlined in Appendix B, Sections II.-V. of the Student Code of Conduct. The most severe sanctions such as expulsion or suspension should only result from a VSU Judicial Committee hearing and can be appealed via Appendix B, Section V of the Student Code of Conduct.

Faculty members may request that a particularly serious violation of the Academic Integrity Policy (buying or selling papers, stealing an exam, significant plagiarism at the graduate level, etc.) be referred directly to the VSU Judicial Committee. The Dean of Students and the academic dean of the student's major will consult concerning the referral of a particularly serious first offense to the VSU Judicial Committee.

#### **INCOMPLETE GRADES POLICY:**

A grade of "I" indicates that a student was doing satisfactory work but for nonacademic reasons beyond her or his control, was unable to meet full requirements of the course. A report of "I" requires the subsequent completion of all course requirements within a time limit specified by the instructor, not to exceed one calendar year from the end of the term in which the grade of incomplete is assigned, regardless of the student's enrollment status during the period specified for completion. **Students are responsible for making arrangements with their instructor for completion of course requirements within the time specified,** in accordance with this regulation. If an "I" is not changed to a letter grade within one calendar year, it will be **changed to the grade "F."** The **instructor must be contacted prior to the final exam** for consideration for an "I" grade. The instructor determines the adequacy of the student's justification for the "I" grade.

#### **ACCESS OFFICE FOR STUDENTS WITH DISABILITIES:**

The Access Office is responsible for coordination of services for students with disabilities. The primary objectives are to provide reasonable accommodations and assure that campus programs and activities are accessible to students with disabilities. Some of the services available to meet the needs of students include classroom and testing accommodations, textbooks in alternate formats, instruction in learning strategies, access to adaptive technology, and referral to other services.

Eligibility for provision of services requires students to provide current documentation of disability that meets criteria established by the University System of Georgia Board of Regents. All services are provided at no charge. If you have a learning disability, are visually impaired, hearing impaired, mobility impaired, or have other health-related disabilities which could impact your ability to meet course requirements, you are entitled to assistance at VSU. To receive services, the Access Office at VSU requires that you register in Farber Hall. Students requesting classroom accommodations or modifications due to a documented disability must contact

the Access Office for Students with Disabilities located in the Farber Hall. The phone numbers are **245-2498** (V/VP) and **219-1348** (TTY). Students requiring classroom accommodations or modification because of a documented disability should discuss this need with professor at the beginning of the semester (first week of class). For more information please visit their web page: <http://www.valdosta.edu/access/>

### **STUDENT SUCCESS CENTER:**

The Student Success Center (SSC) acts as a compass to help students navigate their college careers and get a bearing on success through tutoring, advising, and on-campus job opportunities. The services are free. The center is located in Langdale Residence Hall. For more information please see their web page: <http://www.valdosta.edu/ssc/>

### **Title IX Statement:**

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social Equity, [titleix@valdosta.edu](mailto:titleix@valdosta.edu), 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-333-5463.

### **MIDTERM:**

All students have the right to an evaluation of his/her grade prior to the end of the withdrawal period. If you are concerned about your standing in class, you should schedule an appointment with me to discuss your grade. Students may withdraw from courses following the drop/add period until mid-term by completing the withdrawal process on BANNER. A withdrawal before mid-term is non-punitive, and a grade of "W" is assigned. The last day to withdraw without penalty is **October 7, 2021 (midterm)**. **Students who withdraw from a course after mid-term receive a grade of "WF" (which is factored as a grade of "F").** **A student may not exercise this right to withdraw to avoid sanction for academic dishonesty.**

### **ASSIGNMENTS AND EXPECTATIONS:**

#### **Reflection: (100 points each)**

There will be four reflection writings in the course. The reflections will require for you to write a reflection of a designated chapter of our text.

**Discussion Questions (100 points):** Each student is expected to read the required course material and participate in the class discussion. Please note that discussion questions will be posted each week on blazeview that corresponds with our weekly readings and the participants will be required to respond to the discussion

question comprehensively and must also provide at least two substantial posts to your fellow students. Virtual meetings will be conducted and will be posted on blazeview with instructions for everyone to follow.

Additional information about online discussions: Each week there will be at least one discussion question with instructions to respond to the discussion question and at least two of your fellow learner/students by the end of the week. The response to the discussion will be due on Wednesday's by 11:59pm and responses to fellow learners/students will be due on Sunday's by 11:59pm. Please note that your responses to the discussion question should be comprehensive and or detailed. Your responses to fellow learners/students must be substantial meaning it adds to the discussion and goes beyond yes I agree. As a guide your responses to the discussion questions must be a minimum of 300 words. Your responses to fellow learners/students should be a minimum of 150 words. Please place citations in the body of your response if you are using information from another source.

**Project 1 (100 points):** Select a contemporary African American Male and create 15-20 power point slides describing what makes this person a contemporary African American Male. You should identify attributes that are consistent to some of the attributes highlighted in our primary text (the Black Male handbook). You should capture the selected individual family history, education, obstacles, resilience, community contributions etc. You will be required to present this project to the course.

**Project 2 (100 points):** On this assignment you will have the choice of interviewing an African American male who you believe is or will meet the meaning of a contemporary African American Male. You should explore the selected individual experience of being an African American Male. You should also explore the individual's beliefs about the content that we discussed in our text. You can also select a movie or documentary of a contemporary African American Male. In this case you would write about the movie or documentary and what makes this individual a contemporary African American Male.

### **METHODS OF EVALUATION:**

In general, a course grade of "C" represents an acceptable level of work. A course grade of "B" represents a substantial effort and achievement. It is clearly a grade for the better than average product and effort. An "A" is awarded only in cases of both outstanding efforts and quality in the required products.

Grades will be awarded on the following basis:

#### **Percentage of Points**

A = 90% to 100% of possible points  
 B = 80% to 89% of possible points  
 C = 70% to 79% of possible points  
 D = 60% to 69% of possible points  
 F = 59% and below of possible points

#### **Scale**

A= 700-630  
 B= 623-560  
 C= 553-490  
 D= 483-420  
 F= 413 and below

Evaluation for course grades will be computed according to the following formula:

Reflection #1.....100 points  
 Reflection #2.....100 points  
 Reflection #3.....100 points  
 Reflection #4.....100 points  
 Project #1.....100 points  
 Project #2.....100 points  
 Discussion Questions.....100 points  
  
 Total.....700 points

This revised curriculum provides a more defined connection between the paths and the professions these paths prepare students for. Employers will be able to substantiate the relationship between course work and desired employee

attributes, including entry-level skills and promotability. In addition, all students will be required to complete 6-7 hours of practicum credit, primarily through internships.

- ☒ Indirect Measures; SOIs, student/employer/alumni surveys, etc.  
☐ Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)  
☐ Other Data Source Descriptions –

The program will be assessed using current departmental criteria from ENGL 4900 in path-specific courses, specifically, ENGL 4900 for the Creative Genres Path; ENGL 4630 for the Writing for Professions Path and the Editing Path; and JOUR 4520 for the Journalism Path. That is, the program will be assessed on its ability to teach research, writing, and presentation skills applicable to each specialization. We will also include SOIs and related student surveys.

specialist degree in instructional technology, but will not receive certification in any Georgia teaching or service field.

Concentration #2 is intended for P-12 school personnel wanting to add instructional technology to their Georgia educator certificate. By completing this specialist degree and passing the Georgia Content Assessment for the instructional technology field, the previously-certified Georgia educator will be eligible to upgrade his/her certificate to level 6 and add the area of instructional technology to the certificate.

Concentration #3 is intended for P-12 school personnel seeking an in-field upgrade to their existing Georgia educator certificate. By completing this degree, including completion of 18 hours of content pedagogy in instructional technology and/or the candidate's area of previous certification, the candidate will be eligible to upgrade his/her existing field of certification to level 6. This concentration will not result in the field of instructional technology being added to the candidate's existing certificate.

Concentration #4 is intended for P-12 school personnel seeking dual initial certification in instructional technology and school library media. By completing this degree and passing the Georgia Content Assessments for both the instructional technology and school library media fields, the previously-certified Georgia educator will be eligible to upgrade his/her certificate to level 6 and add both instructional technology and of school library media areas to the candidate's certificate.

*There are three concentrations in the Instructional Technology Program: P-12 Technology Applications (for P-12 public school personnel), Technology Applications (for non P-12 public school personnel), and Library Media. The Technology Applications Concentration prepares candidates to be technology coaches, technology coordinators, or instructional technologists in a variety of contexts: public schools, business, industry, government, the military, health fields, and higher education. The Library Media Concentration prepares candidates to be school media specialists.*

The purpose of this request is to change PSYC course prefixes to COUN, which is consistent with other course offerings within the Counselor Education program. This includes the degree requirements for the MED Counselor Education program, both Clinical Mental Health Counseling and School Counseling concentration; as well as the EdS in School Counseling. It should be noted that these are existing courses taught within the Department of Human Services.

Additionally, the request includes adding a new elective course option, COUN 8892 Special Topics Seminar, as part of the MED Counselor Education program, both Clinical Mental Health Counseling and School Counseling concentrations.

The purpose of this request is to change the admissions requirements to include both a summer and a fall start in hopes of increasing the number of successful applicants admitted.

Additionally, this request includes changing the graduate admissions requirements for the Clinical Mental Health Counseling concentration of the MED Counselor Education program by removing the assessment score admission requirement. The School Counseling concentration applicants must submit official scores on the GACE exams or their exemptions as governed by the Professional Standards Commission.

Finally, two other changes are requested, to change the application requirement from two case studies to one, and to change the Psychology Department to the Human Services Department.

The purpose of this new course request is to offer an elective course, COUN 3800 Orientation to Counseling as a Profession, to undergraduate students interested in learning more about the counseling profession.  A graduate course, COUN 7800 Orientation to Counseling as a Profession, is offered by the Department of Human Services as part of the MED Counselor Education program. The intent is to cross list COUN 3800/7800 Orientation to Counseling as a Profession as a graduate and an undergraduate course. All students will attend class together at the designated time, but the course rigor and assignments required of students will reflect their academic standing (see syllabus).  The undergraduate elective course will provide field specific information to interested students and also introduce students to the Counselor Education graduate programs offered at VSU.

## **ASSIGNMENTS**

**This course is offered to undergraduate and graduate students interested in professional counseling. The assignments required of students will reflect their academic standing. Undergraduate students will complete assignments 1-5 below. Graduate students will complete 1-8 below.**

**Details for each assignment and rubrics can be found further in this syllabus. The following are abbreviated descriptions of assignments.**

### **1. Current Issues in the Profession Portfolio**

Students will compile a portfolio of current issues specific to their chosen counseling specialty and taken from a variety of sources and formats. Additional instruction for the assignment can be found further in the syllabus.

### **2. Professional Interest/Personal Reflection Paper**

In a personal reflection paper, share your reasons for and interest in becoming a counselor. Additional instruction for the assignment can be found further in the syllabus.

### **3. Examinations**

Students will complete two comprehensive examinations over the content areas during the dates specified in the syllabus. Multiple choice and essay.

### **4. Quizzes**

Students should be prepared for three unannounced quizzes on assigned chapter readings.

### **5. Professionalism and Participation**

Students will be graded on professionalism (including responding to emails), teamwork, dependability, attendance, punctuality, and participation. As professional counselors, this is a very important part of your job.

### **6. Code of Ethics Analysis Paper [Graduate Students Only]**

Students will read the ethical standards from ACA, ASCA, and APA and compare the standards. Students will write a four-five page analysis of their comparisons of the codes. A checklist for the assignment can be found further in the syllabus.

Students will work in groups in class to discuss case studies and use the ACA and ASCA ethical codes to analyze the cases. Students will present their reactions in groups to the class.

### **7. Special Topic Group Presentations [Graduate Students Only]**

Students will be assigned to groups to present on topics in consultation with the instructor. Sample topics are school counselors advocating for the profession, school counselors as social justice advocates, the effectiveness of comprehensive school counseling programs, clinical counselors and social justice, clinical counselors establishing a private practice, counseling in the college setting, counseling in the hospital setting, collaborations between clinical counselors and school counselors, supervision in clinical counseling, supervision in school counseling, school counselors as school leaders, as well as a wide variety of student-suggested topics with professor approval. Additional instructions for the assignment can be found further in the syllabus.

#### 8. Field Experience **[Graduate Students Only]**

Each student will complete a 20-hour field experience in a school or clinical counseling setting with an approved school counselor (certified by the state plus a minimum 2 years' experience as a school counselor) or approved CMHC. Additional instruction for the assignment are at the end of the syllabus and on Blazeview under Field Experience Forms.

### **ATTENDANCE POLICY**

Valdosta State University policy requires class attendance. A student who misses more than 20% of the scheduled classes of a course will be subject to receiving a failing grade in the course. Please attend and arrive on time for every class. Any missed class must be discussed with me personally.

### **PROFESSIONALISM**

Students will act in a professional manner in their sites and the classroom. This means turning papers in on time, communicating in a timely manner, and being respectful to those you are working with. When involved in online activities, students will conduct themselves in a respectful manner. Professionalism also includes providing thought-provoking questions and unique responses to classroom and online discussions.

Students will provide feedback to the instructor regarding the participation of each group member on the group activities/projects. This information will guide the instructor in determining final professionalism grades.

### **Title IX Statement**

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social

Equity, [titleix@valosta.edu](mailto:titleix@valosta.edu), 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-333-5463.

## ACCESSIBILITY STATEMENT

Valdosta State University is an equal opportunity educational institution. It is not the intent of the institution to discriminate against any applicant for admission or any student or employee of the institution based on the age, sex, race, religion, color, national origin, disability, or sexual orientation of the individual. It is the intent of the institution to comply with the Civil Rights Act of 1964 and subsequent Executive Orders as well as Title IX, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistance Act of 1974, Age Discrimination in Employment Act of 1967, and the Rehabilitation Act of 1973.

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farber Hall. The phone numbers are 229-245-2498 (V), 229-375-5871 (VP) and 229-219-1348 (TTY). For more information, please visit <http://www.valdosta.edu/access> or email: [access@valdosta.edu](mailto:access@valdosta.edu).

## VIRTUAL PROCTORED EXAMS

If this course uses virtual exams, the course requires the use of LockDown Browser and a webcam for online exams. The webcam can be built into your computer or externally attached through a USB cable. Watch this short video (<http://www.respondus.com/products/lockdown-browser/student-movie.shtml>) for an introductory understanding of LockDown Browser and the webcam feature. A Quick Start Guide for Students (<http://www.respondus.com/products/monitor/guides.shtml>) is also available.

## INFORMATION AND OFFICES TO HELP YOU ON CAMPUS OR VIRTUALLY

Research (and experience!) shows that **students are more successful when they seek out help** and support when they face challenges. VSU offers a full range of services---tutoring, supplemental instruction, counseling, and more—which is available both in person and online.

### Signs and Symptoms of Mental Health Problems

The VSU community is committed to and cares about all students. Recognizing the signs and symptoms of mental health problems can help you or others to consider seeking care that can help. These are some signs that may be reason for concern:

1. Feeling hopelessness, worthlessness, depressed, angry or guilty
2. Withdrawal from friends, family and activities that used to be fun
3. Changes in eating or sleeping patterns
4. Feeling tired or exhausted all of the time
5. Trouble concentrating, thinking, remembering or making decisions
6. Restlessness, irritability, agitation or anxious movements or behaviors
7. Neglect of personal care
8. Reckless or impulsive behaviors (e.g., drinking or using drugs excessively or being unsafe in other ways)
9. Persistent physical symptoms (e.g., headaches, digestive problems or chronic pain) that do not respond to routine treatment
10. Thoughts about death or suicide

Treatment for mental health problems is effective. More information and resources are located at The Counseling Center website at: <http://www.valdosta.edu/student/student-services/counseling-center/>. 24 hour emergency help is also available through the University Police at 229-259-5555 who will contact on-call counselors or appropriate resources for support.

### BIT Team

If you, or someone you know, needs support, is distressed, or exhibits concerning behavior, help by making a referral to the BIT Team. The VSU BIT Team's purpose is to promote a safe and productive learning, living, and working environment by addressing the needs of students. As your professor, I may contact the BIT Team to seek support for you. I encourage you to fill out a referral if you or a classmate are in need of help. There are several ways to contact the BIT Team. 1) For more information about the BIT Team at <http://www.valdosta.edu/administration/finance-admin/police/b.i.t.-behavioral-intervention-team.php> 2) Email your concern to [vsubit@valdosta.edu](mailto:vsubit@valdosta.edu); or 3) Fill out the anonymous Concerning Behavior Reporting Form at [https://publicdocs.maxient.com/reportingform.php?ValdostaStateUniv&layout\\_id=3](https://publicdocs.maxient.com/reportingform.php?ValdostaStateUniv&layout_id=3)

## Scholarly Research and Writing

As graduate level students, you are required to research and write at a sophisticated and professional level. For those that may need support in this area, below are some excellent resources or places to begin. Before you call upon a librarian or as you begin the research process, the following webpages can be very helpful:

- For general library information and help:  
<http://www.valdosta.edu/library/learn/index.shtml>
- The Odum Library has a page specific to students titled "Services for Students". This can be found at the following address:  
<http://www.valdosta.edu/library/services/student.shtml>
- The page above has a great deal of information from how to search using topic keywords to how to cite using APA style. Please use these resources.
- For writing assistance you may contact the Student Success Center at 333-7570 or check out their website at:  
<http://www.valdosta.edu/ssc/>

They can assist you from the beginning stages of planning to the final editing stage in writing.

Papers are of two types:

1. **Formal Paper:** Almost always the requirements for the course and throughout the program. These papers reflect research done on assigned topics and facts (not opinions) that must be cited using APA format. The tone and style of the paper are formal.
2. **Reflection/Reaction Paper:** You also will be asked to write your reactions and personal feelings in some assignments. This is your opportunity to express your thoughts, opinions, and feelings about an issue. No references are necessary, but these papers should follow APA style.

## STUDENT OPINION OF INSTRUCTION

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the [SOI Procedures webpage](#).

## FACE COVERINGS (Information for Fall 2021)

As the Blazer Creed articulates, members of the VSU community are expected to live by the high standards of civility, integrity, and citizenship and embrace their responsibility as a member of the Blazer community. In recognition of this responsibility, and in response to the best available science and current guidance from the Centers for Disease Control and Prevention and

the Georgia Department of Public Health, it is highly recommended that every student wear a face covering that covers their nose and mouth while in any campus building, including in this classroom. This recommendation is intended to protect the health and safety of all VSU students, the instructor, and the entire university community.

## DETAILED ASSIGNMENT INSTRUCTIONS

### Current Issues in the Profession Portfolio

CACREP 8a. The importance of research in advancing the counseling profession, including how to critique research to inform counseling practice.

CACREP 1j. Technology's impact on the counseling profession.

CACREP 1d. The role and process of the professional counselor advocating on behalf of the profession.

CACREP 1e. Advocacy processes needed to address institutional and social barriers that impede access, equity, and success for clients.

This semester you will track current issues related to your chosen profession in counseling. Throughout the semester, be on the lookout for articles, news reports both written and televised, podcasts, websites, basically any source or form of media that focuses on your chosen field or presents information about your chosen field.

You will need to select 7 examples of current issues in your chosen profession. **At least one example must be in regard to technology in counseling and at least one example must be a form of advocacy in counseling.** You may think broadly here. The issue example for technology may be about digital presence or virtual school counseling or distance clinical counseling. For advocacy, it might be about a barrier for the clients or students you wish to help in your future profession or about how counselors reach marginalized individuals or groups.

Set up your portfolio APA style with a heading for each example. Provide a brief paragraph to introduce each example and tell why it is important and why you chose it. Follow the intro paragraph with the example. This may be a link if the example is electronic or a copy if not.

Your readings each week in Erford will help you determine areas about which you are interested and may help to point you in directions for finding examples of current issues.

Your interview in COUN 7430 may help to point you in a direction for current issues of interest to you. You also may use current journal articles – no older than 2016 – for examples of current research in the profession. Websites such as ACA and ASCA contain news briefs and various announcements that you may wish to use. (I highly recommend these sites.) Newspaper articles or popular magazine articles may contain information about your chosen specialty.

Choose carefully and make your portfolio fit your initial interest areas regarding current matters in your profession. You will share selections from your portfolio in class the night the assignment is due.

### Current Issues in the Profession Portfolio Checklist

Portfolio Component	Points Possible	Points Earned
<i>Current Issues:</i> The student selected a minimum of 7 examples of a current professional issue, at least one related to technology and one related to advocacy.		
<i>Portfolio Format:</i> Set up 7 <sup>th</sup> ed. APA style with headings. Intro provided for each, followed by the entry.		
<i>References:</i> There should be a <u>minimum</u> of 7 resources. Resources no more than 4 years old.

**Instructor's Comments:**

### Special Topics Group Presentation

CACREP 1i. Ethical standards of professional counseling organizations and credentialing bodies, and applications of ethical and legal considerations in professional counseling.

CACREP 1d. The role and process of the professional counselor advocating on behalf of the profession.

CACREP 1e. Advocacy processes needed to address institutional and social barriers that impede access, equity, and success for clients.

Students will be assigned to groups to present a special topic to the class. Presentations should be 30-45 minutes and include a PowerPoint or Prezi presentation. The presentation must be based on the scholarship and contain citations and a list of references, *minimum* of 5 **scholarly** resources. Resources should be no more than 8 years old.

Ethical and advocacy considerations must be included for each topic.

Presentations must include a handout with information for attendees. References may be shared on the handout.

Consideration must be given to presenting in a manner that is engaging to your audience.

### Special Topics Group Presentation Checklist

### Professional Interest/Self Reflection Paper

**Length:** apx. 4-5 page paper, APA style with headings for each section

- Why are you here?
- What attracted you to the profession?
- What school level are you interested in and why? Or what type of counseling do you hope to provide as an LPC? What population do you hope to work with?
- What do you hope your clients or your students, teachers, administrators, and parents will gain from your expertise as a professional?
- Why do you view counseling as important?
- Why are your thoughts about how people change?
- What cultural identities, values and life experiences brought you to consider a counseling career? Be sure to address each of these factors specifically.
- What skills do you believe you already possess that will help you in this field?
- What areas do you believe you need to grow in?

- How do you envision yourself in the next 3, 5 or 10 years as a school or clinical counselor?

Please be prepared to discuss aspects of this paper with the class.

### Professional Interest/Self-Reflection Paper Checklist

Project Component	Points Possible	Points Earned
<i>Questions:</i> The student thoroughly answers all 10 questions.		
<i>APA Headings:</i> The student provides an APA style heading for each section.		
<i>Quality of Writing:</i> Well written, grammatically correct.

### Field Experience Assignment

#### 1. Log of hours, 2. Reaction paper, 3. Evaluations

CACREP 2.F.I.m. The role of counseling supervision in the profession.

**To get started** - Please note that the following must be completed to initiate the field experience. (Students completed many of these requirements in EDUC 5998 or 5999 in the summer.)

1. Criminal background check
2. Liability insurance
3. Your field experience site supervisor must complete two forms:
  - a. The field experience form found on Blazeview.
  - b. We also must have an MOU on file between the school district or agency and the university. Please email me to let me know your district or agency as soon as possible to determine if we have a VSU MOU in place.

**Sites should be chosen by the fourth week of class with students identifying their own site and completing a field experience contract to be handed in to the course instructor.** The field experience contract is available on Blazeview and must be completed at the site with the site supervisor.

**After it is initiated** - the field experience has several components after it is initiated with the school or site:

1. Field experience will involve observing and assisting the site supervisor with counseling-related issues. A minimum of **20 hours** must be completed. Students will keep a log of hours completed on the **Field Experience Observation Log** that notes time spent. This document can be found on Blazeview. A hard copy of the observation log will be turned in with the final field experience papers.
2. At the end of the experience you are to write a **personal reaction paper** about your field experience: your reaction to your first site observations including strengths and weaknesses, the relevance of your observations to course material, your students/clients, the nature of the work, and your reaction to the supervision aspects of working with your site supervisor. Include a description of how your experiences relate to course material. Supervision will be a new concept to you and so initial impressions of the supervision relationship will be your focus. Students will also be asked to discuss their experiences in class.
3. At the end of the semester, evaluations must also be completed by the site supervisor.  
***Students must complete the field experience hours to complete the course.***

**\*\*All field experience forms can be found on Blazeview.**

## RUBRICS AND CHECKLISTS

### Code of Ethics Analysis Paper

Students will read the ethical standards from ACA, ASCA, and APA and compare the standards. Students will write a four-five page analysis of their comparisons of the codes. A checklist for the assignment can be found further in the syllabus.

Students will work in groups in class to discuss case studies and use the ACA and ASCA ethical codes to analyze the cases. Students will present their reactions in groups to the class.

### Ethical Codes Paper Checklist

### General Paper Rubric

**Important note: The paper rubric will be adapted for a variety of assignments. In the component “Depth of Discussion,” the CACREP Standards for assignments are specified in checklist fashion. For some assignments, one standard may be assessed under Depth of Discussion; for others, multiple standards are assessed under Depth of Discussion. For each assignment, point values differ for each component, but for every assignment, the component Depth of Discussion carries greater point value.**

## **ADDITIONAL INFORMATION**

### **LATE WORK**

As a graduate student, you should make sure to optimize and manage your time wisely to complete the assignments on time. If you are taking several courses, you should create a system to balance your time for each course. All due dates are listed in this syllabus.

If you have an emergency or some unexpected personal, work, family or natural disaster, you must notify the instructor and provide proper documentation of the incident for an assignment to be considered. If proper documentation is provided and you contact the instructor early, the assignment may be considered for full or partial credit.

For assignments submitted after the due date in non-emergency situations, you must notify the instructor of the circumstances. At the instructor's discretion, late assignments may be considered with a 25% point deduction per day late.

Further, it is strongly advised that you complete assignments before the deadline just in case you have technical difficulties. Technical difficulties are not considered emergencies at the last minute.

## **MODALITY**

This class may be offered fully online, face to face, or hybrid modality depending on the needs of the program and students.

## **METHODS OF INSTRUCTION**

Depending on modality chosen, method of instruction may change.

1. Lecture (Face to face or Synchronous Online Instruction)
2. Asynchronous Instruction (Video Lectures & Narrated PPT Presentations)
3. Classroom, BlazeView and/or Collaborate Ultra Discussions
4. Textbook and Other Resources
5. Website and Video Resources
6. Small Group Presentations, Demonstration of Skills/Knowledge Attainment

## **COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS**

Below is a brief overview of the assignments and activities for the course. Additional instructions for activities and assignments will be provided. Evaluation rubric are available at the end of the syllabus.

1. **Quizzes:** Students will complete four online quizzes that correspond to assigned readings. The quizzes are designed to help students check their understanding of assigned readings and master course content. The quizzes are 20 multiple choice questions. Because this is in part of learning activity toward mastery, students will be permitted three attempts for each quiz and the highest score will be applied to the course grade.
2. **Exams:** Students will complete a midterm and final exam. Each exam will include 75 multiple choice questions as well as a written essay portion. For the midterm and final exams students will be asked to comprehensively apply information learned from the beginning or midterm of the course through the exam date.
3. **Papers:** Students will complete two papers on assigned topics. The paper must 5 pages (not including title and reference pages) prepared in accordance with APA style. Students are expected to integrate at least five scholarly resources into the paper.
4. **Small Group Presentation:** Students will complete one small group presentation on assigned topics during the semester. The presentation should be 30 minutes and include visual supports (e.g., PPT, Prezi, etc.). Students are expected to integrate at least 10 scholarly resources into the presentation.

5. **Discussions:** Students will participate in three graded discussions throughout the semester. Students will respond to structured prompts provided by the instructor. Student dialogue should include both content knowledge learned in the course as well as personal reflections on the content.

## **COURSE EVALUATION**

Quizzes: 20 (4 x 5 points)

Midterm Exam: 50 points

Final Exam: 50 points

Papers: 30 (2 x 15 points)

Small Group Presentation: 20

Discussions: 30 (3 x 10 points)

**Total: 200 Points**

### Grade Total Points:

A = (90%) 180-200

B = (80%) 160-179

C = (70%) 140-159

D = (60%) 120-139

F = <119

## **ATTENDANCE POLICY**

Regular attendance (online presence) and participation are essential for success in class.

Therefore, students are expected to log into the course daily and must complete assignments as outlined in the syllabus. If students must be absent due to a quarantine or isolation requirement for COVID- 19, they must report this situation via the COVID Self Reporting Link in MyVSU and through the Dean of Students Office to report any other absences as well. Instructors will not alter the schedule for individual students unless arrangements have been made in advance.

## **PROFESSIONALISM**

Students will act in a professional manner in their sites and the classroom. This means turning papers in on time, communicating in a timely manner, and being respectful to those you are working with. When involved in online activities, students will conduct themselves in a respectful manner. Professionalism also includes providing thought-provoking questions and unique responses to classroom and online discussions.

Students will provide feedback to the instructor regarding the participation of each group member on the group activities/projects. This information will guide the instructor in determining final professionalism grades.

Technology etiquette- students are welcome to use their laptops for taking lecture notes. All students using laptops for such purposes are asked to refrain from non-related internet explorations (e.g., social media, shopping, checking/managing email, instant messaging etc.).

### **TITLE IX STATEMENT**

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social Equity, [titleix@valdosta.edu](mailto:titleix@valdosta.edu), 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-3335463.

### **ACCESSIBILITY STATEMENT**

Valdosta State University is an equal opportunity educational institution. It is not the intent of the institution to discriminate against any applicant for admission or any student or employee of the institution based on the age, sex, race, religion, color, national origin, disability, or sexual orientation of the individual. It is the intent of the institution to comply with the Civil Rights Act of 1964 and subsequent Executive Orders as well as Title IX, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistance Act of 1974, Age Discrimination in Employment Act of 1967, and the Rehabilitation Act of 1973.

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871 (VP) and 229-219-1348 (TTY). For more information, please visit VSU's Access Office or email: [access@valdosta.edu](mailto:access@valdosta.edu).

### **VIRTUAL PROCTORED EXAMS**

This course may require the use of LockDown Browser and a webcam for online exams. The webcam can be built into your computer or externally attached through a USB cable. Watch this short video (<http://www.respondus.com/products/lockdown-browser/student-movie.shtml>) for an

introductory understanding of LockDown Browser and the webcam feature. A Quick Start Guide for Students (<http://www.res.ndus.com/roducts/monitor/uides.shtml>) is also available.

## INFORMATION AND OFFICES TO HELP YOU ON CAMPUS OR VIRTUALLY

Research (and experience!) shows that students are more successful when they seek out help and support when they face challenges. VSU offers a full range of services---tutoring, supplemental instruction, counseling, and more—which is available both in person and online.

## Signs and Symptoms of Mental Health Problems

The VSU community is committed to and cares about all students. Recognizing the signs and symptoms of mental health problems can help you or others to consider seeking care that can help. These are some signs that may be reason for concern:

1. Feeling hopelessness, worthlessness, depressed, angry or guilty
2. Withdrawal from friends, family and activities that used to be fun
3. Changes in eating or sleeping patterns
4. Feeling tired or exhausted all of the time
5. Trouble concentrating, thinking, remembering or making decisions
6. Restlessness, irritability, agitation or anxious movements or behaviors
7. Neglect of personal care
8. Reckless or impulsive behaviors (e.g., drinking or using drugs excessively or being unsafe in other ways)
9. Persistent physical symptoms (e.g., headaches, digestive problems or chronic pain) that do not respond to routine treatment
10. Thoughts about death or suicide

Treatment for mental health problems is effective. More information and resources are located at The Counseling Center website at: <http://www.valdosta.edu/student/student-services/counselingcenter/>. 24 hour emergency help is also available through the University Police at 229-259-5555 who will contact on-call counselors or appropriate resources for support.

### **BIT Team**

If you, or someone you know, needs support, is distressed, or exhibits concerning behavior, help by making a referral to the BIT Team. The VSU BIT Team's purpose is to promote a safe and productive learning, living, and working environment by addressing the needs of students. As your professor, I may contact the BIT Team to seek support for you. I encourage you to fill out a referral if you or a classmate are in need of help. There are several ways to contact the BIT Team. 1) For more information about the BIT Team at <http://www.valdosta.edu/administration/finance-admin/police/b.i.t.-behavioral-interventionteam.php> 2) Email your concern to [vsubmit@valdosta.edu](mailto:vsubmit@valdosta.edu); or 3) Fill out the anonymous Concerning Behavior Reporting Form at <https://publicdocs.maxient.com/repoflingfom.php?ValdostaStateUniv&layout id=3>

### **SCHOLARLY RESEARCH & WRITING**

It is imperative that you understand how to do research and understand what constitutes a reliable source versus unreliable. This understanding and knowledge will be expected for all that you write and present throughout the program. As graduate level students, you are required to research and write at a sophisticated and professional level. For those that may need support in this area, below are some excellent resources or places to begin.

All papers and presentations will require you perform as graduate-level researchers and graded accordingly. Use of APA writing format is expected for each paper. You should use the 7<sup>th</sup> Edition of the APA Manual.

For writing assistance, you may contact the Student Success Center at 333-7570 or check out their website at: <http://www.valdosta.edu/ssc/>

They can assist you from the beginning stages of planning to the final editing stage in writing. If your work is not adequate you may be referred to the center for remediation,

Papers are of two types:

1. **Formal Paper:** Almost always the requirements for the course and throughout the program. These papers reflect research done on assigned topics and facts (not opinions) that must be cited using APA format. The tone and style of the paper are formal.
2. **Reflection/Reaction Paper:** You also will be asked to write your reactions and personal feelings in some assignments. This is your opportunity to express your thoughts, opinions, and feelings about an issue. No references are necessary, but these papers should follow APA style.

**Please note:** The instructor reserves the right to modify the syllabus. This includes altering course readings, making schedule changes, and altering assignments. If this occurs, students will be informed of the changes via email and/or Blazeview.

## STUDENT OPINION OF INSTRUCTION

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available on BANNER. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous, and instructors will be able to view only a summary of all responses two weeks after they have submitted final grades.

Instructors will not be able to view individual responses or to access any of the responses until after final grade submission. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at

<http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml>.

## LATE WORK/MAKE UP WORK

All assignments must be uploaded in Blaze View on the due date and turned in as hard copy when noted. Any circumstance leading to a late submission must be discussed with me personally before the due date not after as no assignment will be accepted late if it is not discussed and approved by me before it is due. Only certain circumstances such as illness or injury documented with a doctor's note will be considered. Also, if you have an emergency or some unexpected personal, work, family or natural disaster, you must notify the instructor and provide proper documentation of the incident for an assignment to be considered. Late work will receive significant point deductions (25% per day). Make-up work or alternative assignments will be determined by the professor and at the sole discretion of the professor. It is strongly advised that students complete assignments before the deadline just in case you have technical difficulties. Technical difficulties are not considered emergencies at the last minute.

## COMMUNICATION

All course related email correspondence should be conducted using the Blaze View email tool (not the VSU email). This allows me to keep course related correspondence organized. I will primarily communicate with you using the Blaze View email, so it is imperative that you log into the course and check your Blaze View email frequently as I may send additional readings, changes to the class schedule, etc. through your email. I will also post frequently to the Announcements section of Blaze View. I typically respond to emails within 24-48 hours during the week. However, it may be Monday before I respond to weekend emails.

### Assessment Rubric for Presentations

Components	Target	Acceptable	Needs Improvement
Organization	Information is presented a logical, interesting sequence	Information is in a logical sequence	Cannot understand presentation—no sequence of information
Rationale/Introduction	Topic is clearly introduced with relevant data (when appropriate)	Rationale/introduction includes most of the required information	Rational/introduction lacks content and relevant data
Subject Knowledge	Demonstrates full knowledge of the topic and covers each point called for in assignment.	Covers at least 75% of the points called for in the assignment.	Covers less than 50% of the points called for in the assignment.
Citations/Reference	Formatted in APA style including in-text citations and references. Included minimum number of scholarly sources. No spelling &/or grammar mistakes	At least 80% of presentation is APA style, including in-text citations and references. Included 80% of the required number of scholarly sources. Minimal spelling &/or grammar mistakes.	Presentation is not formatted using APA style, including in-text citations and references. Included less than 50% of required scholarly sources. Unacceptable number of spelling and/or grammar mistakes.
Visual Support	The fonts are easy-to-read and point size varies appropriately for headings and text. Graphics explain and reinforce screen text and presentation.	Sometimes the fonts are easy-to-read, but in a few places the use of fonts, italics, bold, long paragraphs, color or busy background detracts and does not enhance readability. Graphics are related to text and resentation	Overall readability is difficult with lengthy paragraphs, too many different fonts, dark or busy background, overuse of bold or lack of appropriate indentations of text. Uses superfluous graphics or no graphics.

Oral Presentation	Poised, clear articulation; proper volume; steady rate; enthusiasm; confidence; speaker is clearly comfortable in front of the group. Correct, precise pronunciation of terms.	Clear articulation but not as polished; slightly uncomfortable at times. Most can hear presentation. Pronounces most words correctly.	Presenter is obviously anxious and cannot be heard or monotone with little or no expression. Mumbles, incorrectly pronounces terms.
Citations/Reference	Formatted in APA style including in-text citations and references. Included minimum number of scholarly sources. No spelling &/or grammar mistakes.	At least 80% of presentation is APA style, including in-text citations and references. Included 80% of the required number of scholarly sources. Minimal spelling &/or grammar mistakes.	Presentation is not formatted using APA style, including in-text citations and references. Included less than 50% of required scholarly sources. Unacceptable number of spelling and/or grammar mistakes.

**REQUIRED TEXT:** There is no book required for this course

## **COURSE DESCRIPTION**

**BUSA 4999** - Graded “Satisfactory” or “Unsatisfactory”. This is the third of a 3-course, zero-credit program designed to help BBA students prepare for post-graduation success

**OBJECTIVES:** To help you prepare for post-graduation success. As such, you are expected to take an active role in your career development. You will demonstrate this responsibility by completing the three main tasks below:

- Meet with your faculty mentor, at least once
- Complete the ETS Major Field Test
- Provide information on your job placement

## **GRADING**

**BUSA 4999** is graded as satisfactory or unsatisfactory. *A satisfactory grade is achieved by completing all three tasks.* If an unsatisfactory grade is earned, the course must be repeated until a satisfactory grade is received. This course is required for graduation. There is no book requirement nor will this class meet.

## **ASSIGNMENTS**

**The following are the course activities**

- Prior to registration** – Meet with faculty mentor and discuss career goals and any course-relate issues
- Post Mid-Term – Schedule and complete the senior exit exam either online or via LCOBA’s testing center
- Prior to the end of the semester – Provide college with requested post-graduation information in the designated repository.

### **Tentative Schedule of Assignments**

1666

The assignments are due on the following dates. Late assignments are not accepted.

<b>Assignment</b>	<b>Date</b>
Syllabus Quiz	1 <sup>ST</sup> week of semester
Meeting with Faculty Mentor	By midterm
Senior Exit Exam	Two weeks post midterm
Post-graduation Plans	By the end of the semester

## *Appendix: Important University Information*

### **Accreditation**

The programs of the Langdale College of Business are accredited by AACSB International – The Association to Advance Collegiate Schools of Business. Less than one third of the business programs in the United States have achieved this distinction of quality. To maintain our commitment to quality, the Langdale College faculty and administration have identified goals that provide students with the knowledge, skills, and ethical and global awareness needed for successful managerial and professional careers.

### **Special Services**

**Access Statement:** Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871 (VP) and 229-219-1348 (TTY). For more information, please visit VSU's Access Office or email: [access@valdosta.edu](mailto:access@valdosta.edu)

**Title IX Statement:** Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination.

### **COVID Protocol**

Blazers protect Blazers. As members of a community, we seek to protect others and ourselves. The first line of protection against COVID 19 is to be fully vaccinated, including a booster. Vaccinations are strongly encouraged and are available free of charge through VSU Health Services and many local pharmacies. Information about scheduling an appointment at Student Health Services is available at <https://www.valdosta.edu/administration/student-affairs/student-health/>. To protect yourself and others, properly wearing a face covering is strongly encouraged in all classrooms and other instructional spaces at all times.

If you are experiencing COVID symptoms, use the free testing available at the Student Health Center; you may also obtain a test at many other locations around town. If you test positive, please report your case using the COVID Self Reporting tool at the top of your MyVSU page. Guidance on student absences is available at <https://www.valdosta.edu/academics/academic-affairs/guidance-on-student-absences.php>. To report an absence to the Dean of Students Office, complete the form at <https://www.valdosta.edu/administration/student-affairs/absentee-notification-form.php>. If you must self-isolate or quarantine, follow the directions provided by Student Health after you have reported your COVID status.

MGNT 4005 has not been offered since 2017. ECON 3860 is not offered either. As such, both courses need to be removed from the minor. A concurrent request to deactivate MGNT 4010 has been submitted due to lack of continued relevance of that course (Labor Relations), and due to a lack of qualified faculty to teach it.

Additionally, MGNT 4200 (Leadership Skills) can be used to replace MGNT 4010 to improve the learning outcomes as it is regularly taught and broadly applicable given the role that Human Resources plays in contemporary organizations.

MGNT 4600 is not offered frequently due to a lack of sources. That said, the students need more electives to fulfill the minor requirement. In addition, the College of Business encourages and emphasizes experiential learning.

The department is not able to offer the courses (MKTG 4670, MKTG 4730, MKTG 4740) consistently, due to lack of the qualified faculty in supply chain and logistics area. There are only 6 supply chain minors.

The justification for this change stems from the reduction in the importance of labor relations (specifically in the context of unionization within organizations) as the prevalence and influence of unions has declined and continues to decline. The faculty feel that there is adequate coverage of these issues in MGNT 4000 (Human Resource Management). Additionally, the faculty member with the experience and expertise in Labor Relations has retired, and the current faculty do not have the required experience and expertise to make this course particularly relevant.
