Dear Members of the Senate,

The attempt by the Committee on Committees to save paper by using an email distribution of the ballot for election of a university-wide seat on the Grievance Committee has been a complete failure. I tried to send out the ballot to departmental secretaries as a 1-page attachment, but the secretaries e-mail listserv will not accept attachments. I then submitted an email w/ the eligible faculty members listed in 4 columns, but the columns disappeared when it was sent out w/ the result that the 1-page ballot turned into a 10-page ballot! B/c I received fewer than 10 votes returned to me, we need to undertake (A) a new election for the current opening on the Grievance Committee as well as (B) a new procedure for future elections for university-wide seats on the Grievance Committee.

I have come up w/ 3 possible options for us to discuss @ our Senate meeting next Thursday.

1. We could go back to a mass paper mailing that wastes 75% of the paper we send out.
2. We could move voting for the Grievance committee to our next General Faculty Meeting.
3. I could send out the ballot via an email attachment to every Department Head in the university

w/ instructions for the department head to forward the email & its attachment to their departmental faculty. Sending an email straight to the Department Head, not a Department Head listserv, should resolve the problem that listservs will not accept attachments or emails w/ columns.

Best, Jay

ATTACHMENT D:

Phil Gunter question regarding Masters Degrees and Graduate Degrees. Phil has a faculty member who is interested in pursuing a new Masters while already holding a Doctorate in a different field. He wants to know if Masters degrees can be given without special exception appeals, if special exceptions and appeals are only done for Doctoral degrees, or if the person seeking a Masters must go through the special exceptions process.

Christine, I'm having difficulty finding item # 04-004 passed by the senate on September 23, 2004. Can you direct me to where I might find the full text?

Hi Phil!

Here is what I have, below, there's references to that numbered item in a couple of different minutes from 2004 (which are on the Faculty Senate website, but you'd need a sherpa guide or something...:-) Hope this helps you:

<http://www.valdosta.edu/vsu/facsen/Minutes/040318min.pdf>

(Item #04-004) Recommendation from the Educational Policies Committee -- Michael Schmidt:

No full-time faculty member of Valdosta State University will be awarded a doctoral degree by the college in which he/she teaches.

P. Gunter asked if there should be a distinction between full-time or tenured track faculty.

E. Clark noted that she had spoken with several deans across the area and most schools that have a doctoral degree allow an avenue for exception in extenuating circumstances.

A motion was made to accept the recommendation. After additional discussion D. Boyd recommended the issues be sent back to the original committee. B. Hull noted that a motion was on the floor. M. Meacham recommended voting on the motion. The motion failed. M. Meacham moved to remand the recommendation back to the original committee. The motion carried.

UPDATED later:

<http://www.valdosta.edu/vsu/facsen/Minutes/040923min.pdf> (next page)

1. (Item #04-004) Educational Policies recommendation concerning doctoral candidates. G. Macheski asked M. Schmidt to discuss recommendations from the committee. M.Schmidt explained that based on previous Faculty Senate discussion, an exception clause has been added that provides the protocol for exceptions to be reviewed based on merits of the petition. A motion was made to accept the policy and seconded. It passed 31 to 14.

Phil Gunter wrote:

Christine, I did come up with it. As you can see the recommendation started out as "a graduate degree" and ended up "a doctoral degree."

The doctoral degree was the concern at the time. However, now I have a faculty member who wants to complete a master's degree (she already hold a doctorate) in the department in which she teachers. I don't know if the language in item 04-004 can generalize or not. Perhaps, this is another item for senate consideration.

Thanks for your help.

Phil Gunter
