

Nevins Gated Parking Lot

The Nevins gated parking lot is a restricted (ID card access only) parking area for Valdosta State University active employees and students. Employees are permitted to park in this lot Monday-Sunday 24-hours each day with a valid parking permit and VSU ID card. Students may park in this area during open parking hours only: after 5:30pm Monday-Thursday, and after 3:00pm on Friday's-Sunday (weekend open parking) with a valid student permit and VSU ID card. If parking in a handicap space, a valid handicap state issued parking permit must also be displayed. 24-hour reserved parking spaces in the Nevins Lot are designated for employees that are issued reserved parking permits.

Special parking events and request for visitor parking in the Nevins Lot will be coordinated through the Parking & Transportation Department. Visitors are allowed to park in any additional lots for campus events; however, occasionally they may need access to the Nevins lot. Parking Personnel as well as University Police will be responsible for allowing parking privileges to guest (non students/non employees) of the university upon permission from Parking & Transportation. Names of non affiliates of the university who has permission to park in the Nevins lot must be submitted to Parking & Transportation prior to their arrival. Special campus events and request for reserving the Nevins parking lot should be submitted through Event Services and also Parking & Transportation. At that time, Parking & Transportation will review request and coordinate parking options as needed.
